

To Whom it May Concern,

Timothy and Marjorie Stout are the owners of 814 Camden Ave Louisville, Ky 40215 home and we are applying for a conditional use permit to short term rent this 3-bedroom entire home occasionally. Historically, this home was owned by the South Side Baptist Church and was used for long term rentals as well as the church office. Eventually we will retire to this home but for now we prefer to short term rent rather than long term rent as we will stay there from time to time to visit family.

Regards,

Timothy and Marjorie Stout
