Meeting ID: 258-904-9677

Meeting Passcode: qg4bp3

Attendees:

Donna Baugh Host

Betsy Ruhe, Democratic Candidate for Louisville Metro Council District 21

Donna began the Zoom meeting at 6:25 PM. No one joined until 6:38, when Ms. Betsy Ruhe joined. After introducing ourselves, she told me she just wanted to see what my proposal was all about. She then stated that clearly none of the neighbors have any issues since none are in attendance.

I told Ms. Ruhe about my journey in this process, including the fact that I didn't realize I needed to take the final step of applying for a license, which is completely my fault, and for that reason, this is the second Neighborhood meeting. The original meeting was attended by the next door neighbors on either side of the home, one of which is my daughter.

Ms. Ruhe and I spent the next twenty minutes just getting to know one another a little bit since she had no questions about the Airbnb process.

Since no one else joined, we ended the meeting at 7:05 PM.
