REQUEST

Conditional Use Permit to allow a short term rental of a dwelling unit that is not the primary residence of the host (Land Development Code (LDC) 4.2.63).

CASE SUMMARY / BACKGROUND

The applicant proposes to conduct short term rental of a residence on the site. This property is the primary residence of the host but they want to apply for the Conditional Use Permit.

The site is located on the north side of Atwood Street between Crittenden Drive and Bradley Avenue. It is in the R-6 Residential Multi-Family Zoning District and Traditional Neighborhood Form District and is surrounded by R-6, R-7 Residential Multi-Family, and C-1 Commercial properties. There is a principal structure on site that is the primary residence of the applicant and an accessory structure with a garage on the first floor and a dwelling unit on the second floor. The applicant is proposing to use short term rentals in both structures and is requesting the Conditional Use permit for the entire property.

PVA lists the existing structure as a single-family residence. The applicant has shown that there are four bedrooms in the principal structure and one bedroom in the accessory structure. LDC standards credit the site with two on-street parking spaces and space to accommodate two vehicles in the garage. In addition, there appears to be available parking in the area.

STAFF FINDINGS

Based upon the information in the staff report, and the testimony and evidence provided at the public hearing, the Board of Zoning Adjustment must determine if the proposal meets the standards established in the LDC for a Conditional Use Permit.
