

513 Atwood Short Term Rental – Attendance and Summary of Neighborhood Meeting

The meeting occurred via Zoom on February 15, 2022 at 6PM and lasted until 6:15 PM. The only participant was Gail Linville from 526 Atwood St.

Summary of meeting – Gail's comments were that she thinks Airbnbs are good because to have them you have to renovate and fix up properties, which means you're benefiting the neighborhood by making nicer properties. She asked about parking, but we explained that if we're renting out the property for Airbnb our cars wouldn't be here, so it should have a net zero impact on parking. No other issues or concerns were encountered during the meeting.
