Clifton Architectural Review Committee
Public Hearing

Bradley Fister, Historic Preservation Specialist
January 12, 2022

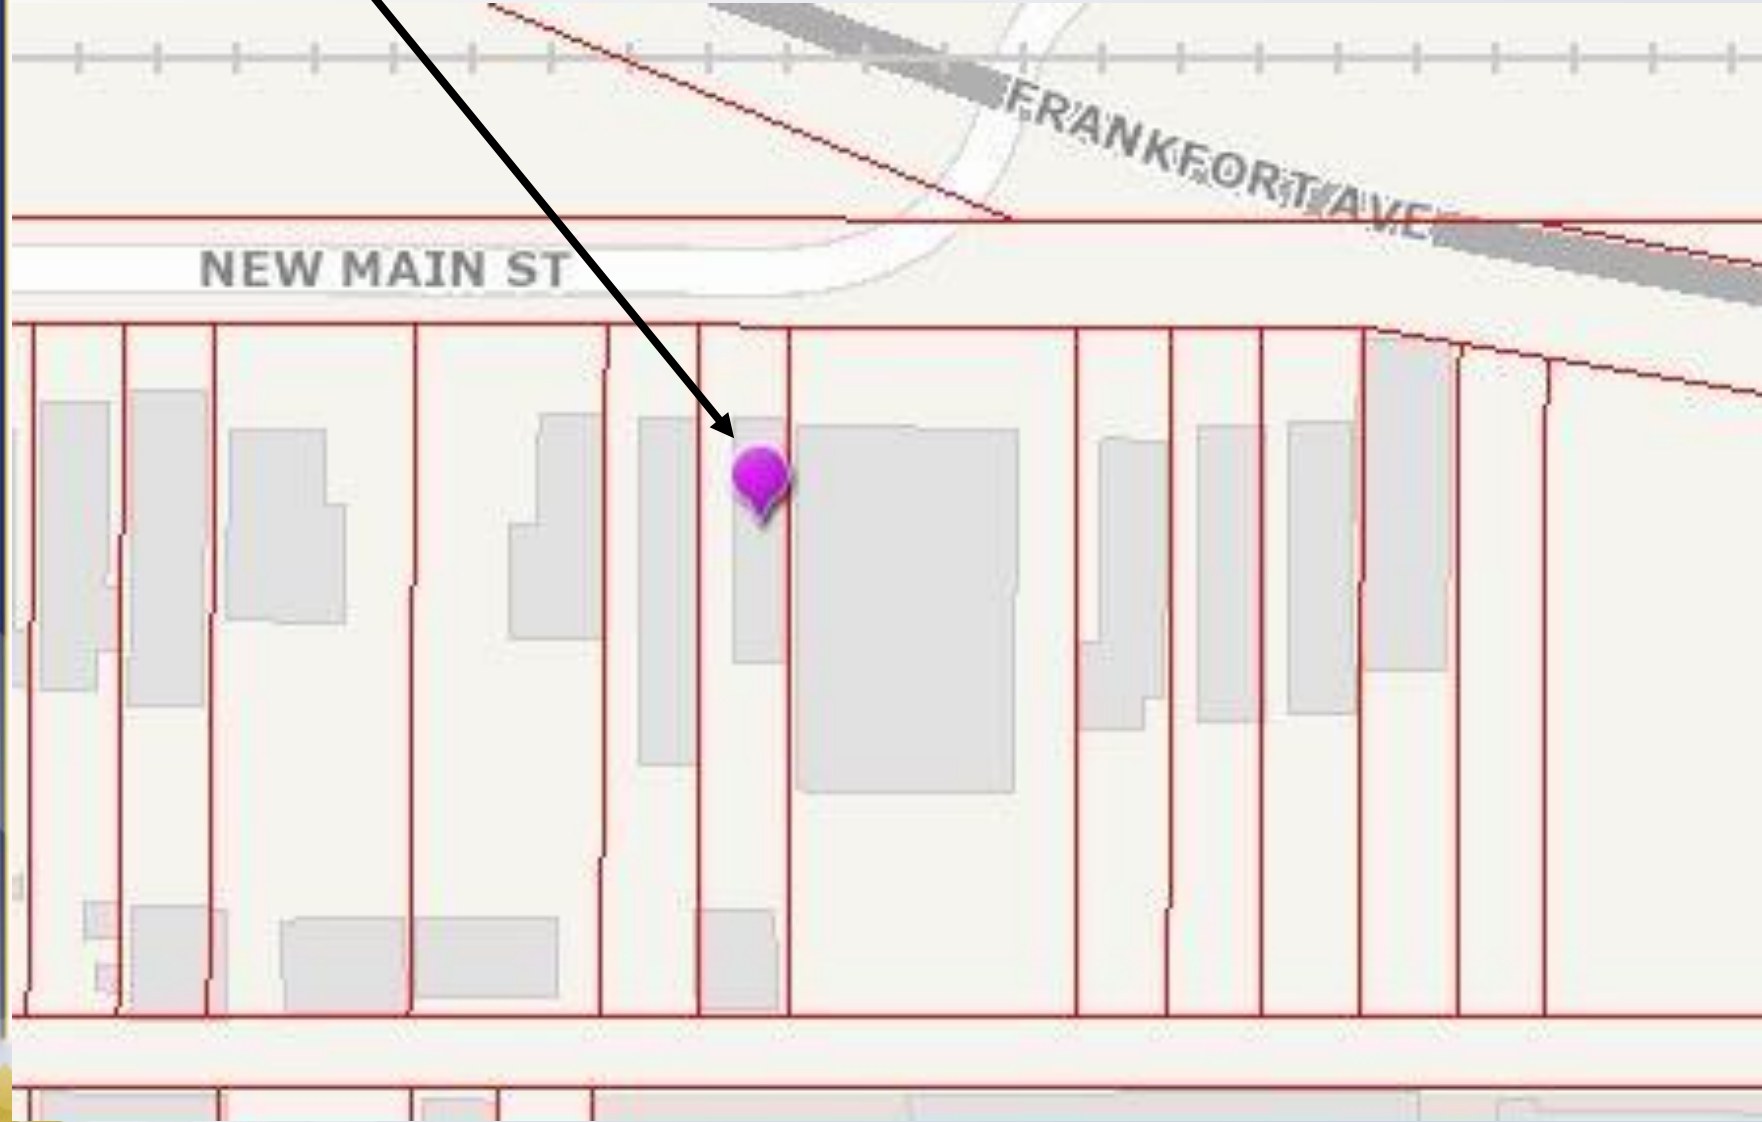

Request

Certificate of Appropriateness:

The applicant requests approval to demolish the house by removing the walls and roof. The applicant proposes to retain the brick foundation walls, to create a landscaped park area with trees and seating.

Site Context / Background

The property is located on the south side of the intersection of New Main Street and Frankfort Avenue. A public alley runs behind the building on the south property line. The building is zoned R-5A and is located in a Traditional Marketplace Corridor Form District. The surrounding building stock is comprised of a one- to two-story wood frame shotgun and camelback houses that serve residential uses and a one-story Mid-century commercial structure that is adjacent to the main house on the subject property.

Conclusion

The house maintains its historic form and massing.

Recommendations

On the basis of the information furnished by the applicant, staff recommends that the application for a Certificate of Appropriateness be **denied** for the demolition of the house.
