Greg,

I am going to go ahead and submit this paperwork for the speed hump on Oleanda for new business on Monday, 6/6/22. Will you accept the funds on behalf of Public Works?

Subject: Statement of cost for Oleanda Avenue speed hump/signage

Keturah,

Please see attached statement of cost for an additional speed hump and sign for Oleanda Avenue between 7th Street Road and Oleanda Court.

Fyi/Headsup!- We are working to get a secondary contractor online to do speed hump installation. You can fund this at the current rate as stated on the statement of cost but I can't provide you an installation date based on our current contractor's availability, or you can wait and fund this once we get a secondary contractor in place to negotiate a cost and availability.

After negotiations with the secondary contractor, I don't know if the cost per speed hump is going to be less or more than what is quoted on the attached statement of cost.

Greg

Subject: RE: Oleanda

Keturah,

It wouldn't hurt. Initially, I placed the existing speed humps in the current locations based on the fatality that occurred at the park and placing another toward 7th Street would help out with speeding coming off of 7th Street.

Yes, we can proceed. But, from your viewpoint, is it necessary?

Keturah,

Do you still want to add another speed hump on Oleanda Avenue? I just spoke with Mr. Wilkins about this.

Please advise.

Thanks!,

Greg

Subject: Oleanda

Greg,

Kevin Wilkins called about getting another speed hump on Oleanda. Said people speed on the last 150 ft of the street, after they pass the first 4 speedhumps. His number is 502-314-6767. I know the previous speedhumps were put down in 2018 and were split between D3, D6 & D15.

DATE: May 27, 2022

RE: Cost of additional Speed Hump/Sign for Oleanda Avenue

One (1) Speed Humps x \$2,215.00 = \$2,215.00
One (1) Speed Hump signs x \$260.00 = \$260.00
Total = \$2,475.00

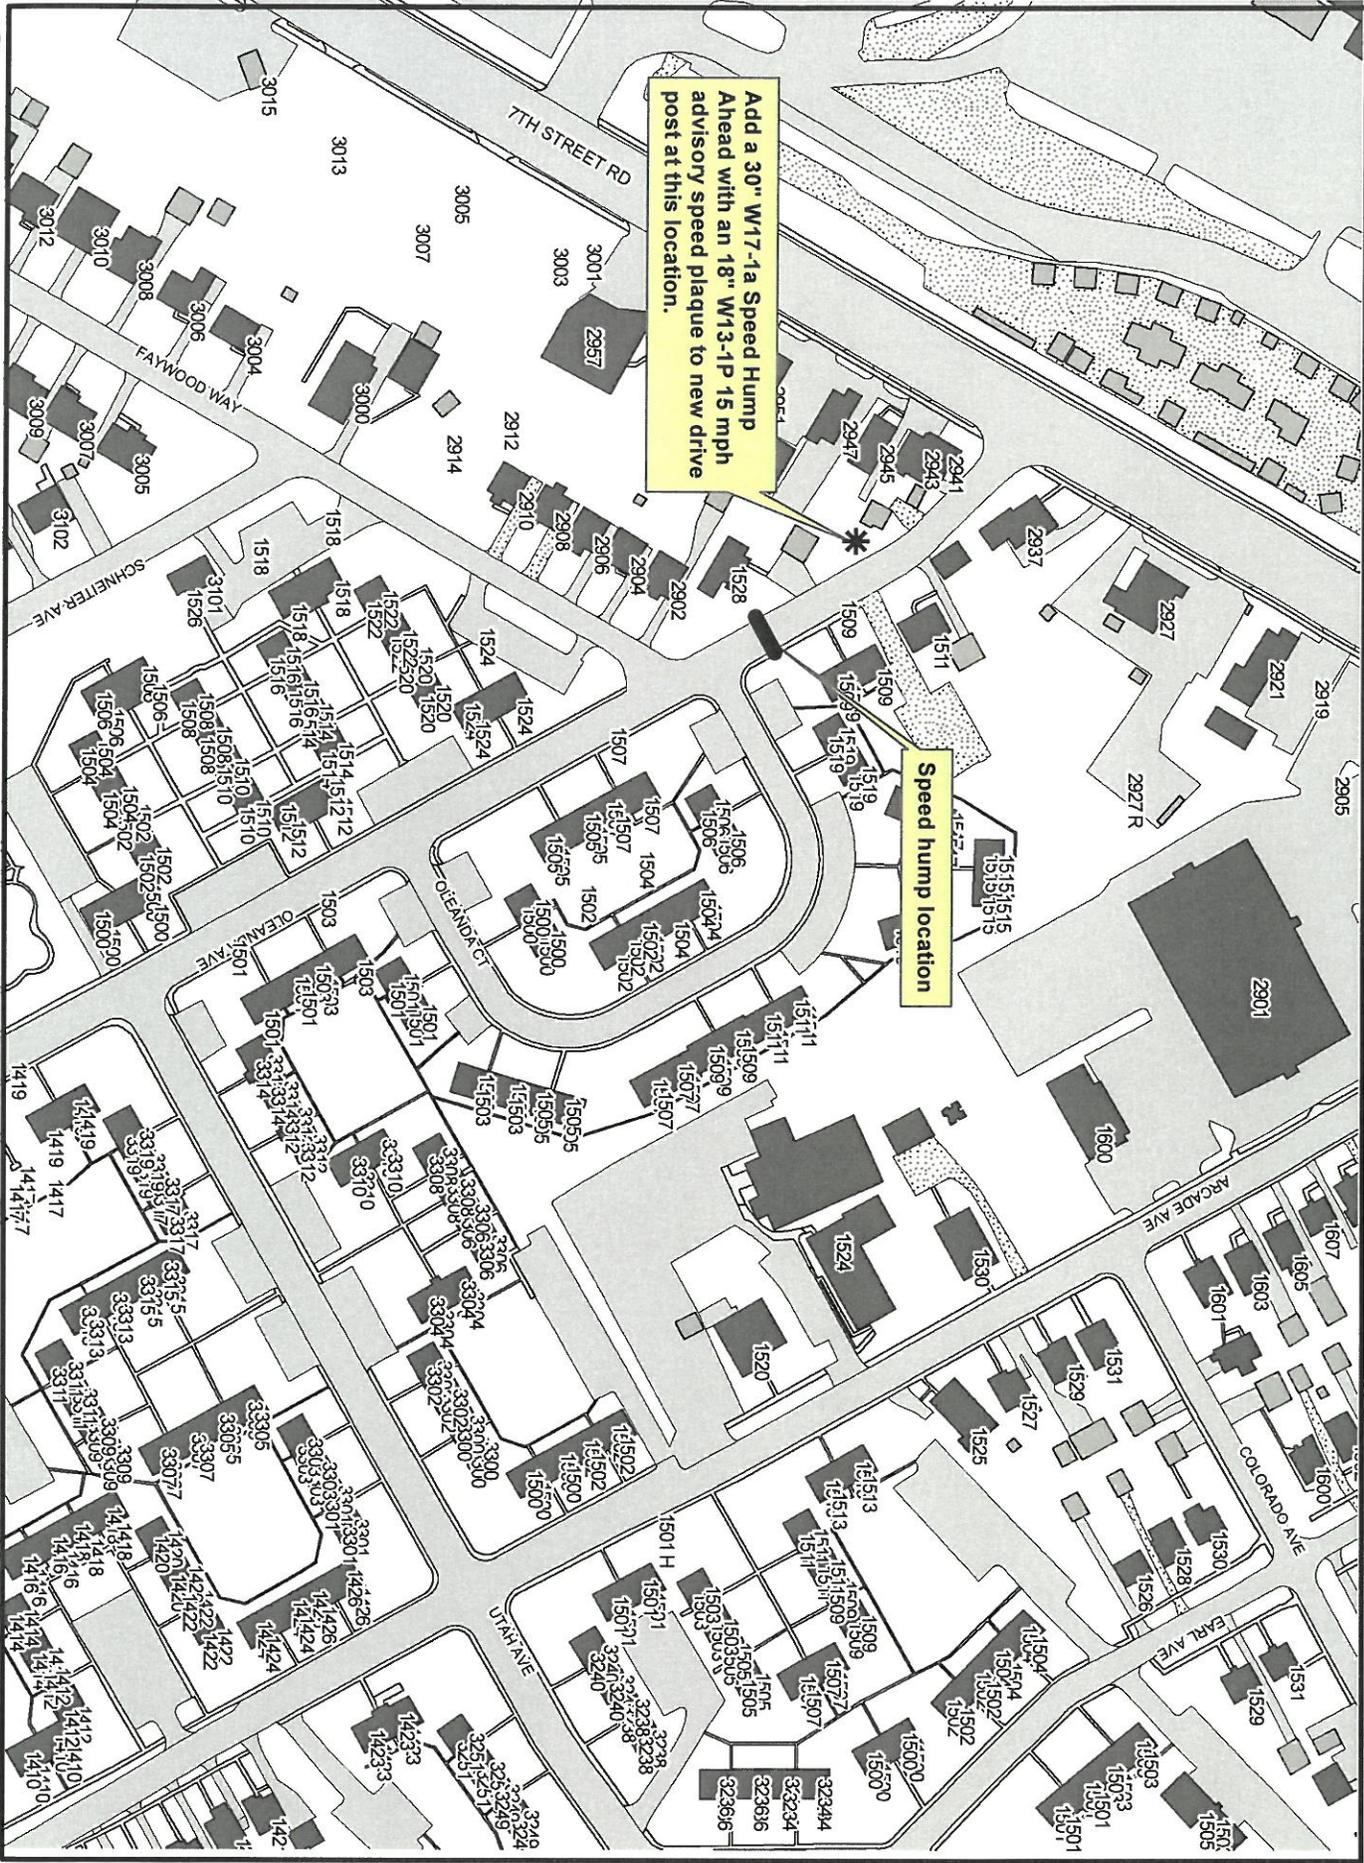

Please consider this letter as our official Statement of Cost for all speed hump related work. Each speed hump, including markings is \$2,215.00 and each sign is \$260.00. One additional speed hump and sign will be added between 7th Street Road and Oleanda Court. The total "not to exceed" cost is \$2,475.00.

Upon funding approval, the speed hump and sign will be installed as schedule and weather permits.

Please let me know if you have any questions. You may contact me at 574-3882.

Sincerely,

Gregory A. Dow
Traffic Engineering

Add a 30" W17-1a Speed Hump Ahead with an 18" W13-1P 15 mph advisory speed plaque to new drive post at this location.

Speed hump location

NOTES:

- Oleana Avenue**
 (Between 7th Street Road and Oleana Court)
- (1) Additional Speed Hump
 - (1) Additional Speed hump sign

NOT TO SCALE
