## **Recommendation**

Based on the information furnished by the applicant, staff recommends that the application for a Certificate of Appropriateness be **approved with the following conditions:**

- 1. The front replacement window shall be replaced with a wood or wood clad window that both fit the historic window openings, and match the original window configuration.**
- 2. The glass shall not be smoked, tinted, low-E, or reflective. Clear low-E glass is permissible.**
- 3. Applicant shall document changes with photographs to be shared with staff.**
- 4. If the design or materials change, the applicant shall contact staff for review and approval.**

**The applicant and/or their representative shall obtain any permits necessary prior to beginning the work.**
