ICE Detainer

In 2015 there were 169 inmates with an ICE Detainer.

In 2016 there were 138 inmates with an ICE Detainer.

LMDC does not hold inmates solely on ICE Detainers. When LMDC receives an inmate who has an ICE Detainer, LMDC notifies ICE 24 hours prior to the inmate's release, or as soon as possible upon court ordered release. If ICE determines they want the inmate, they pick the inmate up upon their release from LMDC custody in the Exit Lobby. LMDC does not specifically "turn the inmate over" or release the inmate into ICE's custody.
