Kendall:

Here are the demographics for the program 2012 - 2019. These numbers are for the "direct placements" we track in the program, which is a sub-set of the overall number the Mayor reports to the larger community:

Black	70.5%
White	20.1%
Other	4.5%

Hispanic	2.1%
Asian	2.1%
Alaskan/American Indian	0.5%
Hawaiian/Pacific Islander	0.2%

We're still working on the final numbers for 2020. Let me know if you need those as well and we'll be happy to get them to you as we finalize them.

Many thanks

Michael
