Wastewater Collection and Treatment – Louisville MSD and City of Hillview

Dear Mr. Mayes:

The Office of the Attorney General is in receipt of the enclosed Interlocal Agreement proposed between Louisville Metropolitan Sewer District and City of Hillview for the purpose of wastewater collection and treatment. Under KRS 65.260, the Attorney General is charged with reviewing as to form and legality any Interlocal Agreement.

Having reviewed the revised proposed Interlocal Agreement as to form and legality, the Office of the Attorney General conditionally approves the enclosed Interlocal Agreement. This Office's approval is contingent upon full approval and execution by the Louisville Metro Mayor and Council President as required by KRS 65.241.

Consistent with KRS 65.290, please be advised that before the enclosed Interlocal Agreement shall become operative or have force and effect, a certified copy shall be filed with the Secretary of State. *See* KRS 65.290(1). To effectuate filing, forward the approved agreement to the Secretary of State's Office, ATTN: Jeremy Foster, 700 Capital Ave, Suite 80, Frankfort, KY 40601. Please include a self-addressed envelope so that a file-stamped copy can be returned to you for your records. There is no filing fee for this process.

Should you have any questions, please feel free to contact me at (502) 696-5478.

Sincerely,

DANIEL CAMERON
ATTORNEY GENERAL
