---

Chris, attached please find copies of the letters we sent to all of the affected property owners today (other than ourselves and Lou Metro). We have also reached out by phone to those for whom we have numbers and we're still trying to find phone numbers for a couple. Let us know if you need any additional info. Thanks.

Deborah, I think it is fine for you all to send out the letter. If you can just email me a copy and who it was sent to I will add that to the case file.

Thank you

Thanks – I was going to send a personal letter. Would you like the notice to go out on your standard cards? Do you need me to send the APO list?

This is the standard notice card for a rezone. We will need to alter it for a text amendment since less information is needed.

Chris, I'm preparing a letter to send to the affected property owners – will you send me one of your notice cards so I can lift your standard language?

Thank you, I found it, I assumed it was attached to the minutes, but I have it.

Gentlemen, just making sure you have the most current W-2 reg amendment for the PC files – I'm attaching the one that was approved by the PC on 7/21. I'm sure you have it in your files somewhere. Thanks!
