To whom it may concern,

I would like to formally request a Conditional Use Permit for the property located at 840 Parkway Drive, Louisville KY 40217 to be used as a Short Term Rental. The house is currently used as my primary residence and the spare bedroom is rented as a long term rental. My proposal is to lease the entire house as a long/short term rental when I move out in fall of 2022 and it is no longer my primary residence. I will retain ownership of the property and will continue maintenance on all yard work and trash collection.

Regards,
Jessi Dietrich
