Dear Interim Secretary Hayes:

Confluent Health is requesting Kentucky Business Investment Act inducements by the Kentucky Economic Development Finance Authority Board.

Confluent Health is headquartered in Louisville and provides physical and occupational therapy services around the country. The company complies with the wage threshold standards established by Louisville Metro. Louisville Metro supports an occupational tax contribution of up to 1% on all new wages generated from the project.

We look forward to final approval of their application. Thank you for your assistance.

Sincerely,

Greg Fischer
Mayor
