**RE: UofL St Mary & Elizabeth Hospital Addition
Conditional Use Permit Pre-Application Letter of Explanation**

To whom it may concern,

This project encompasses the selective demolition and Building Addition (3,617 sf) to accommodate two new Operating Rooms and associated support spaces on the First Floor of Mary and Elizabeth Hospital/UofL Health in Louisville, Kentucky.

All code analysis is based upon work within an area which shall be fully protected by an approved automatic sprinkler system and approved fire alarm system at the conclusion of the project.

The site plan is provided with the pre-application, if you have any questions feel free to contact me.

Thank you.

A handwritten signature in black ink, which appears to read 'Adam Crunk', is positioned below the 'Thank you.' text.
