Lowell Mason

Dear Ms. Harward or Metro Council Clerk representative,

I am submitting my resume and letter of interest for consideration of the District 8 City Council seat vacated by Cassie Armstrong.

My Wife Maura and I moved to Louisville in 2010. She has been a guidance counselor in Oldham County, and currently a 4<sup>th</sup> grade teacher at Bloom Elementary. I worked at the American Printing House for the Blind until my department was sold to a for-profit entity, and currently work at Kentuckiana Court Reporters. I am an artist and code apps in my free time.

As you may see by my work history and various volunteer activities, I always endeavor to help the most vulnerable members of our community, human and otherwise.

Volunteering for the Louisville Metro Accessibility Committee, being an on-call ambulance for injured raptors, mentoring young teens or homing sick and feral cats in our neighborhood, my wife and I are always an advocate for the most vulnerable members of our community.

I have a passion for Louisville's rich history, past, present and future. I love its architecture, its people and all the culture that makes Louisville the greatest city and shining diamond of the mighty Ohio River.

I would consider it the honor of a lifetime to be part of the city council of the place that has given me so much. It is that love and desire to give back that motivates me to apply for District 8 Council member. It is my desire to be part of keeping the city an inclusive place where everyone feels welcomed and safe.

I have always had an interest in politics and responsible growth. I have campaigned for a candidate for governor. I have been on a citizens committee in Pennsylvania that advocated for fair housing and responsible development. As an avid traveler, I understand infrastructural matters. I am acutely aware of the issues that are problematic to Louisville. I have empathy and the ability to get along with all people. I feel that with my passion for Louisville and experience in relevant matters, I would be a positive presence on Metro Council representing District 8.

I know you will get many very qualified applications for this position. I very much appreciate you taking time out of your busy schedule to read my resume and your consideration in this matter. Should it be required, I will make myself available to you at any time and at your convenience.

Sincerely,

Lemuel Mason
