Initial Neighborhood Meeting Summary

A meeting was held on December 20th, 2022, at 6:00 PM. The purpose of this meeting was to discuss the Conditional Use Permit (CUP) application filed by Josh Swetnam and Jodi Bessinger for the property located at 166 William Street, Louisville, KY 40206. The meeting took place at that property. 14 days prior to the meeting, written notices were mailed to residents and owners of neighboring properties.

Four neighbors attended the meeting (see the attached attendance sheet). Mr. Swetnam and Ms. Bessinger shared their plan to use the property for short-term rentals. Mr. Swetnam and Ms. Bessinger also answered the neighbors' questions and provided a tour of the home.

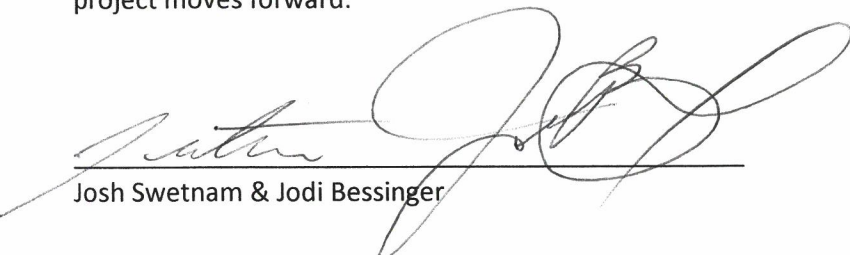

Those in attendance asked the following questions:

- Will the home be rented to large groups?
- Will the home be rented to multiple families simultaneously?
- What will be the policy regarding "parties" on site?
- Will renters be expected to adhere to "quiet hours?"
- Will neighbors be able to contact the owners if there are any concerns?

Mr. Swetnam and Ms. Bessinger provided the following responses:

- The home will only be used for short-term rentals to individuals, couples, and families. No more than six people will be allowed to stay in the home at any given time
- The home will not be rented to more than one family at a time
- While renters may have visitors or guests during their stay, those individuals will not be allowed to spend the night. Social gatherings intended to celebrate a particular event or occasion will not be allowed
- Tenants will be required to limit noise and activity between the hours of 10 PM and 8 AM to avoid disturbing our neighbors
- Mr. Swetnam and Ms. Bessinger provided mobile numbers and e-mail addresses to those in attendance and encouraged them to reach out at any time with questions or concerns.

The attendees were satisfied with the responses given and did not express opposition to the CUP application. The meeting ended with all parties agreeing to maintain open communication as this project moves forward.
