Elizabeth,

As discussed, I cannot approve the 2 signs at the top of the building (Signs A and C) as they exceed the maximum height allowed for attached signs.

Hello Jack!

The revised application with updates per our conversation this morning is attached. As discussed, I am only interested in permitting Sign B at this time. We will be going for a variance on Signs A & C to increase the allowable mounting height.

I will put a check in the mail today for the \$90.00 permit fee.

Thanks!

Elizabeth
