The Applicant is proposing to construct two new buildings for existing sports fields. They are proposing to construct a 3575 s.f. building for the existing soccer field. The proposed building will house locker rooms, concessions, restrooms and a press box. A 957 s.f. building is proposed for the existing football field and will house concessions and restrooms. A 369 s.f. addition has been added to the main building for a pottery kiln. These three (3) modifications to the site equals a 2.8 % increase in total building area.

This is a Modified CUP for 20-CUP-00106 approved September 9, 2020.
