Heather

Please note my opposition to granting a variance waiver allowing for a larger than 6" sign. That area has gotten overdeveloped and there are already too many signs, etc obstructing views. All of the green space south of the freeway is going away and I do not support anything that would make the views and clutter even worse. A sign up to 6 foot tall is big enough - - nothing larger should be needed. Thank you for adding my comments to the case file.

Laura
