Ms. Harward,

Thank you for giving MSD the opportunity to provide a comment on Prospect's proposed annexation of additional territory. After reviewing the matter, MSD has determined that it is not necessary for it to comment on this annexation.

Good afternoon,
Per Section 166.11(B) of the Louisville Metro Code of Ordinances (attached here), which was last amended on February 28, 2022, by Ordinance 013, Series 2022, please see the attached notice of request for annexation. **Per the Ordinance, please respond within two calendar weeks.** If you have any questions regarding these procedures, you will likely get the best information from Travis Fiechter with the Jefferson County Attorney's Office. Our office will help, if possible, as well.

If there is someone else I should be contacting on behalf of your department or agency, please let me know.

Thanks,
Sonya
