### **Binding Element Amendment Justification:**

In order to justify approval of any amendments to binding elements, the Planning Commission considers the following criteria. Please answer all of the following items. Use additional sheets if needed. A response of yes, no, or N/A is not acceptable.

1. **Are there any natural resources on the property, including trees and other living vegetation, steep slopes, water courses, flood plains, soils, air quality, scenic views, and historic sites? And are these natural resources being preserved?**

There are a handful of trees in the front of the building.

2. **Is safe and efficient vehicular and pedestrian transportation provided both within the development and the community?**

Yes

3. **Is sufficient open space (scenic and recreational) to meet the needs of the proposed development being provided?**

Yes

4. **Are provisions for adequate drainage facilities provided on the subject site in order to prevent drainage problems from occurring on the subject site or within the community?**

Yes

PLANNING &  
DESIGN SERVICES

5. **Is the overall site design (location of buildings, parking lots, screening, landscaping) and land use or uses compatible with the existing and projected future development of the area?**

Yes

6. **Is the proposal in conformance with the Comprehensive Plan and Land Development Code?**

Yes, to our knowledge

Mr. Stephen Lutz  
Louisville Metro Planning & Design Services  
444 S. 5<sup>th</sup> Street, Third Floor  
Louisville, KY 40202

Re: Letter of Explanation for Change to Land Development Report at 9001 Cane Run Road

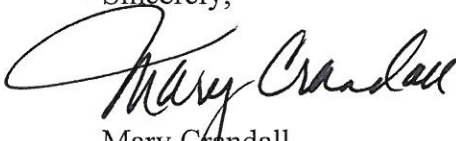

Dear Mr. Lutz,

As required on page 4 of the District Development Plan Application, the following is an explanation for our requested change to allow outdoor storage.

Our prospective tenant PODS is seeking a 5+ year lease with BT1 Louisville LLC located at 9001 Cane Run Road, Louisville. PODS requires outdoor storage for their storage containers (see photo of containers and available various measurements of containers). Currently outdoor storage is not allowed. We are seeking to allow outdoor storage of these PODS containers upon the concrete truck court highlighted on the site map attached. The maximum storage area will be 60' deep by 200' in length and no greater than 24' high. There will be no exterior use beyond the concrete truck court area.

Please feel free to contact me with any additional questions.

Sincerely,

  
Mary Crandall  
Asset Manager
