The Council designated \$50,000 and \$50,000 will be split out in the ordinance. After the last item, put the words xx c or d (whichever it is): Projects xx through xx with xxxx as a fund source each include a fifty percent (50%) match from fund source xx. Funding for the above projects will be used to pave roads, repair sidewalks or construct sidewalks as indicated in the project description in the 2014-16 Budget Document or through the Appropriations Committee process. The amount of funding authorized for each project is limited to the estimate provided by Public Works and Assets and any additional funds needed for a specific project must be approved by the Appropriations Committee. All projects funded by this account must be authorized no later than December 31, 2015. All remaining unallocated after December 31, 2015 will be restricted. The Council Public Works & Transportation Committee Chair and Vice Chair will recommend projects for the remaining funds to the Council Committee on Committees. Committee on Committees will notify PW&A in writing of the projects to be funded with the remaining match funds and those funds will then be unrestricted.

14 a. Council designated paving projects contained in project 15 as well as previously funded MAP must be identified by December 31, 2015. 15 a. Except for the \$300,000 designated for the Central Business District, all project funds must be used exclusively for sidewalk repair in the amount designated for each District.

17 a. Included in this project is \$xx,xxx for District 10 Signs and Markings as directed by District 10 Council member.

Under the new Alley Paving Match project: a. The alley paving account requires an equal match from the district CIF. Maximum of \$10,000 per alley may be drawn from the account and all projects must be appropriated by December 31, 2015.
