Please submit the completed application along with the following items:

Project information

- ☐ Land Development Report¹
- ☐ Current photographs showing building front, specific project area, and surrounding buildings
- ☐ Pictures, samples, brochures, or other technical data describing materials, such as windows, doors, roofing, fencing, etc. to be used in the renovation or replacement
- ☐ One map of the project area and surrounding properties (may be obtained from <http://www.lojic.org/> using the *LOJIC Online Map*)

Site plan (see site plan example on next page)

- ☐ Two sets of site plans drawn to scale with dimensions, as applies to the project, indicating property lines, structures, landscaping, fencing, and parking
- ☐ Two copies of floor plans drawn to scale with dimensions and each room labeled
- ☐ Two copies of elevation drawings (a drawing showing exterior walls) drawn to scale with dimensions. For fencing, only photos/drawings of the proposed fence are required.

Committee Review Only

Committee reviews may be required due to the complexity of the case. The necessity of these items will be determined by staff upon review. Projects requiring committee level review include construction of new buildings, demolition, and projects that vary widely from design guidelines.
