## Case Summary / Background / Site Context

This case was continued from the July 13, 2015 Landbank meeting due to lack of a quorum. The property will be consolidated to be on the same lot with the buyer's existing home at 1729 Gallagher St. and will be used as a side yard. Mr. Vincent would like to install a fence to discourage the illegal dumping and parking that's occurring on the lots, and to provide a larger area for his children to play.

The lot is located on Gallagher St. west of 17<sup>th</sup> St. and east of Dixie Hwy. It is surrounded by single-family residential with commercial buildings across the street and on the corners. The lots are zoned R-7 in the Traditional Neighborhood Form District (TNFD). Staff completed a site inspection and found the applicant's current residence in good order with no open maintenance cases, fines, or past due taxes. Staff also noted cars from a nearby business illegally parking on the lots.

## **Relationship to Neighborhood, Small Area, Corridor or Other Plan(s)**

The lots are located in the California Neighborhood. No additional requirements noted for buyer's intended use.

## **Staff Conclusions / Proposed Conditions of Approval**

Staff recommends approval of sale to Paul Vincent for \$3.00 in accordance with the current pricing policy. The following conditions are also recommended:

- 1. All parcels shall be consolidated to be on the same lot with the buyer's residence at 1729 Gallagher St.
- 2. The lots shall continue to be used as a side yard.
