Scott,

I've spoken with Councilwoman Fowler, we can do the Swim Bash party on Friday, July 29<sup>th</sup> if that is preferable for you. She doesn't want to do it on a Saturday or Sunday.

That would mean that there are 3 days with extended hours that week? Is that going to present a problem to staff the pool?

If not, we would be good to go with that change to the schedule I outlined in my earlier message (copied below)

Please let me know if we're good to go with this so I can start the appropriations process.

Thanks!

I will have to touch base with CW Fowler on how she'd like to proceed on the Summer Bash.

For the past few years, this is the pattern that we've kept with partly because it was difficult to do the extended hours for 3 days out of the week. I will discuss it with her and get back to you.

Thanks!

I'll look at the dates and get back with you. On the Bash Party could you do it the weekend before. That would be the same weekend as we close for the summer. Might be a way to increase attendance.

Thanks  
Scott

Good Afternoon Scott,

We are in the process of setting up our summer swim times for Sun Valley.

I have listed the dates/times below, as well as, the Summer Swim Bash Party that we normally wrap the season up on. I am making assumptions that the pool will be open roughly on the same timeframe as last year. If the opening/closing schedule or costs are different for some reason, please let me know.

For the Tuesday Night Family Swims, all from 6 p.m to 8p.m:

6/14  
6/21  
6/28  
7/5  
7/12  
7/19  
7/26

TOTAL: 7 days @ \$320, for \$2240

For the Thursday Senior Morning Swims, all from 11 a.m. – 1 p.m.:

7/7  
7/14  
7/21  
7/28

TOTAL: 4 days @\$320, for \$1280

Summer Swim Bash Party, from 6pm-8pm:  
8/5

TOTAL: 1 day @ \$320, for \$320

TOTAL 12 days @ \$320, Grand Total of \$3840.

Please confirm with me that there aren't any issues with these dates. Once confirmed, I will begin the funding transfer process to Metro Parks.

As always, we would like to get this in our newsletters so a quick response would be appreciated.

If you have any questions or concerns, please let me know.

Thanks!
