Subject: NDF Funding - National Night Out

Susan,

The 4th Division will once again be hosting our annual National Night Out event on Tuesday, August 2nd 2016 from 5-8pm in Wyandotte Park. I would like to request money from the following Council members who encompass the 4th Division Boundaries, for the National Night Out Against Crime. Louisville Metro continues to have a national ranking with the NNO (National Night Out) event. We will once again be participating and our goal continues (with the Council Members help) to be #1 in the Nation for 2016.

Our tentative theme this year is –“Succeed for a Better Future.” Our goal is to get the youth to not only be more active like in the past, but to try and teach a healthier life style all the way around. This includes promoting better eating habits, staying in school and staying of drugs. Our intent is to show the youth there are ways for them to succeed in life. We hope to use the money to purchase various items like lunch boxes for kids to take a healthy lunch to school, backpacks to carry their school supplies, water bottles, jump ropes and items to make for a healthier living. We want to lay down a path of success for the youth and aid their parents in conveying this lifestyle.

National Night Out generates community support for crime and drug abuse prevention activities, as well as a high level of community participation within our Neighborhood Watch program. The presence of LMPD Officers in the community under the positive circumstances surrounding National Night Out allows many residents to meet and interact with their officers, on a one-on-one basis, in many cases for the first time. This opportunity helps to establish much needed relationships and trust among our neighborhood residents and the Louisville Metro Police Department. We continue to have over 5,000 community members attend our National Night Out event. We truly believe we will have even more community members this year as we consistently host large crowds every year.

National Night Out is designed to;

- Heighten crime and drug prevention awareness

- Generate support, and participation in, Neighborhood Watch & Anti-Crime Programs
- Strengthen neighborhood spirit and police trust – Community Partnership
- Send a message to the criminals that our neighborhoods are watching and will call the police
- Making Louisville the safest city in America to live

The breakdown of the 2016 NNO event are below; I respectfully request NDF funding for the 2015-2016 fiscal year and I will have the funding utilized before June 30th.

Councilwoman Butler - \$1,150.00
