Easements for sanitary sewer and drainage purposes are hereby reserved on, over and under the strips of land and spaces as defined and bounded by dashed lines, marked "San. Sewer & Drain. Esm't.," together with the right of ingress and egress over all lots to and from the easements, for construction, operation, maintenance of sewers and drains over, under and across said land. No permanent structure of any kind shall be placed on, over or under the land which is subject to said easements. The easements shall be for the benefit of the land in the subdivision and other land which naturally drains therein, and said sewers and drains may be constructed by the Metropolitan Sewer District, or by any other public agency having legal authority for such construction, or by others subject to the approval by the aforesaid sewer district.
