Certification Statement: A certification statement must be submitted with any application in which the owner(s) of the subject property is (are) a limited liability company, corporation, partnership, association, trustee, etc., or if someone other than the owner(s) of record sign(s) the application.

I, Gene W. Milner, Jr., in my capacity as Manager, hereby
representative/authorized agent/other

certify that GATO/MILNER, LLC is (are) the owner(s) of the property which
name of LLC / corporation / partnership / association / etc.

is the subject of this application and that I am authorized to sign this application on behalf of the owner(s).

Signature: *Gene Milner, Jr.* Date: 11/23/2015

Please submit the completed application along with the following items:

Project information

- ☒ Land Development Report¹
- ☐ Current photographs showing building front, specific project area, and surrounding buildings
- ☐ Pictures, samples, brochures, or other technical data describing materials, such as windows, doors, roofing, fencing, etc. to be used in the renovation or replacement
- ☐ One map of the project area and surrounding properties (may be obtained from <http://www.lojic.org/> using the *LOJIC Online Map*)

Site plan (see site plan example on next page)

- ☒ Two sets of site plans drawn to scale with dimensions, as applies to the project, indicating property lines, structures, landscaping, fencing, and parking
- ☐ Two copies of floor plans drawn to scale with dimensions and each room labeled
- ☐ Two copies of elevation drawings (a drawing showing exterior walls) drawn to scale with dimensions. For fencing, only photos/drawings of the proposed fence are required.

Committee Review Only

Committee reviews may be required due to the complexity of the case. The necessity of these items will be determined by staff upon review. Projects requiring committee level review include construction of new buildings, demolition, and projects that vary widely from design guidelines.

- ☐ Two sets of 11"x17" format site plans drawn to scale with dimensions
- ☐ Two sets of 11"x17" elevation drawings to scale with dimensions
- ☐ Two sets of 11"x17" landscaping drawings to scale with dimensions
- ☐ One set of mailing label sheets for: 1st tier Adjoining Property Owners (APOs)³, owners, applicants, contacts, and Case Manager. Applicant is responsible for mailing.
- ☐ One copy of the mailing label sheets

Resources:

1. Detailed instructions to obtain a Land Development Report are available online at: <http://ags2.lojic.org/lojiconline/>
2. Deeds and plats can be found at the Jefferson County Clerk's Office, located at the 2nd floor of Metro Hall (527 West Jefferson Street, telephone: 502-574-6220). Many deeds, plats and other records are available online at: <http://www.landrecords.jcc.ky.gov/records/S0Search.html>
3. Adjoining property ownership information can be found at the Property Valuation Administrator (PVA) office at 531 Court Place, Suite 504 or via their website: <https://jeffersonpva.ky.gov/>
4. View agency comments at: <http://portal.louisvilleky.gov/codesandregs/mainsearch>. Enter your case number in the 'Permit/Case/Docket Number' search bar and then select your case under the 'Application Number' tab.

Submittal Instructions:

Applications are due on Fridays at 5:00 p.m. Once complete, please bring the application and supporting documentation to: Planning and Design Services, located at 444 South 5th Street, Suite 300. For more information, call (502) 574-6230 or visit <http://www.louisvilleky.gov/PlanningDesign>.

Definitions:

Certificate of Appropriateness: A project involving physical changes to the exterior of a building, structure, or property designated as a local landmark or located within a local preservation district shall require prior approval in the form of a Certificate of Appropriateness. An approval requires substantial conformance to design guidelines established for each landmark and district. The design guidelines, along with other information regarding local preservation districts, may be found at the website of the Landmarks and Preservation Districts Commission:
<http://www.louisvilleky.gov/PlanningDesign/Historic+Landmarks+and+Preservation+Districts+Commission.htm>

Overlay District Permit: A project involving physical changes to the exterior of a building, structure, or property within an overlay district shall require prior approval in the form of an Overlay Permit. An approval requires substantial conformance to design guidelines established for each overlay district. The design guidelines, along with other information regarding overlay districts, may be found at the following website:
<http://www.louisvilleky.gov/PlanningDesign/Overlay+Districts.htm>

GATO/Milner

Belknap Condominiums

Certificate of Appropriateness Justification

The applicant, GATO/Milner, LLC, proposes to add 9 off-street parking spaces to an area on the subject property at the corner of Wibben Avenue and Wrocklage Avenue. The proposed additional parking is designed to accommodate the addition of 8 units to the Belknap Condominiums within the existing buildings. The proposal is to subdivide one unit into two within the “new” building on Wrocklage Avenue and to increase the number of units in the original school building during its renovation. The proposed additional off-street parking is located in an area that will minimize its potential impact on the original school building or on the streetscape along Sils Avenue, the primary front yard of the site. The proposal impacts four of the Standard Design Guidelines for local landmarks: ST3, ST7, ST10 and ST19, all of which touch on parking areas and screening.

The proposal will use the same paving material already in place on the site, asphalt. The proposal, thus, complies with ST3, which encourages the use of paving materials that are compatible with adjacent sites.

The proposal is to allow a small parking area to be constructed to the rear of the original school building and the primary front yard of the site in compliance with ST7. The proposed additional parking is near other parking areas on the site and will be screened by a hedge row. The parking area will be accessed by using the existing entrance onto Wibben Avenue that serves the remainder of the site, as well.

The applicant is seeking a waiver of the Land Development Code requirement for a masonry wall to screen the parking in order to comply with ST10. There is no historic precedent for a wall in this area, and much of this area formerly contained pavement with only a chain link fence as a buffer to the street. The applicant proposes to include a hedge row to screen the parking area from the street.

The proposal complies with ST19, in that it is a small parking area designed to allow for residents within the Belknap Condominium to have adequate off-street parking. While the applicant can claim on street spaces in order to meet the requirements of the Land Development Code, the residents of the Belknap are concerned that, especially during the summer, on-street spaces will not be adequately available.
