OFFICE OF THE MAYOR
LOUISVILLE, KENTUCKY

GREG FISCHER
MAYOR

May 26, 2016

Dear Fellow Citizens and Metro Council Members:

I am proud to present to you a fiscally responsible *FY17 Recommended Budget* that builds on our prior successes while maintaining core services and addressing critical infrastructure needs throughout our community.

Public safety is the foundation of everything we do. This budget includes funding for 122 police officers, including leveraged federal grants for community policing efforts. I am also proposing to build on last year's \$12 million commitment to housing by broadening the spectrum of citizens served with a \$2.5 million grant to the Affordable Housing Trust Fund.

Although we've experienced revenue increases indicative of a strong economy, we are still attempting to gain ground on the deferred investments we needed during the recession. While this budget cannot address all of the infrastructure needs of an almost 240-year-old city in one year, it makes significant progress, more than doubling last year's street infrastructure investment at \$23 million; providing \$12 million for essential vehicles and equipment; more than \$14 million for technology; and providing more than \$8 million for maintenance at Slugger Field, City Hall and Metro Hall.

Beyond repairing what we have, we have to invest for the future. This budget includes funding for the design of our third regional library, in northeast Louisville, along with construction funds for a new animal shelter.

This plan, with total expenditures of \$822 million, including \$583 million of General Fund dollars, balances the need for expanded services with a significant investment in our infrastructure. It is only by working together that will we see a return on our investment.

Sincerely,

Greg Fischer
Mayor

Executive Director

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to Louisville Metro Government, Kentucky, for its annual budget for the fiscal year beginning July 1, 2015.

The award reflects Metro's commitment to meeting the highest principles of governmental budgeting. It signifies that Metro's budget rated proficient in serving as a policy document, a financial plan, an operations guide, and as a communications device.

This award is valid for a period of one year. The Approved Executive Fiscal Year 2016-2017 Budget will be submitted in August 2016 to GFOA for review.

**LOUISVILLE METRO
BUDGET/STRATEGIC PLAN ALIGNMENT
FISCAL YEAR 2016-2017**

The Louisville Metro Strategic Plan is a six-year plan that includes five broad objectives broken down into 21 measurable goals. The Fischer Administration's Strategic Plan can be viewed at <http://louisvilleky.gov/government/mayor-greg-fischer/strategic-plan>.

This FY17 budget addresses these objectives and goals, including but not limited to the projects and programs that follow (directly affected departments are in bold):

Objective 1: Deliver Excellent City Services

Goal 1: Improve Multi-modal Transportation and Community Streetscapes

The FY17 budget includes \$24.1M in **Public Works & Assets** for improvements to Metro's streets, bicycle infrastructure, sidewalks, bridges and cross drains, guardrails and general street safety. The budget includes \$770,000 in **Public Works & Assets** to hire additional engineers and permit inspectors to facilitate capital project completion.

Goal 2: Enhance EMS Service Delivery in Order to Address the Entire Spectrum of 911 Patients' Needs

The FY17 budget includes \$3.5M for the purchase of first responder vehicles and equipment such as ambulances, fire trucks, computers, defibrillators and other life safety devices. Additionally, the budget continues funding a Emergency Medical Technician training academy and nurse triage program. The budget also includes \$680,000 in **Emergency Services** to modernize the audio/video distribution system that provides situational awareness for the 9-1-1 Center, backup center, and emergency responses by **Emergency Medical Services** (EMS) and other first responders.

Goal 3: Reduce Crime by 3% and Rank in the Top Quartile of Safest Large Cities

The Mayor is committed to crime reduction and citizen safety. The budget contains multiple methods for enhancing the safety of our city, including 122 recruits (20 to be funded from grants through the Office of Community Oriented Policing Services) in the **Louisville Metro Police Department** (LMPD), \$4.0M for police vehicles and equipment, the continuation of a fully staffed Real Time Crime Center to monitor camera activity and provide timely information to officers, five crime intelligence analysts to advance criminal investigations, and the Downtown Area Patrol (DAP). The **Office of Safe & Healthy Neighborhoods** will continue to fund restorative justice and youth violence prevention programs, as well as provide hospital- and community-based youth intervention.

Goal 4: Improve Citizen Interaction and Transparency

The **Department of Information Technology (DoIT)** budget invests \$6.2M in a new work order management system to improve customer engagement, customer service and performance tracking for government operations; continues to invest in the Mayor's open data initiative by expanding and improving the Metro's Open Data Portal – an interactive site that increases the openness and transparency of government; provides \$640,000 in **DoIT** to enhance network security; and provides

**LOUISVILLE METRO
BUDGET/STRATEGIC PLAN ALIGNMENT

\$260,000 for a new broadcast system and other equipment for Metro TV. The **Office of Management & Budget (OMB)** budget includes \$7.5M for a new tax collection system used to collect revenue for occupational licenses taxes, insurance taxes and transient room taxes for various agencies including Louisville Metro Government. The budget includes \$3.4M to replace **Metro Animal Services'** old shelter on Manslick Road with a new shelter attached to Animal House on Newburg Road.

Goal 5: Deliver Better Fire Protection

The budget includes funding for 40 firefighter recruits for **Louisville Fire**, who will begin training in September 2016, as well as \$3.5M for first responder vehicles and equipment (mentioned with Goal 2). The budget also includes an additional \$200,000 to bring the total to \$735,000 for deferred maintenance at various firehouses.

Objective 2: Ensure Fiscal Integrity

Goal 6: Enact Comprehensive Financial Management

This FY17 budget continues to rebuild the Unassigned General Fund Balance, commonly referred to as "The Rainy Day Fund" by an anticipated additional \$1M to bring the total to \$67.6M by the end of fiscal year 2017. Louisville Metro is able to add to the ending fund balance through expense reduction efforts such as implementing an employee wellness center managed by **Human Resources** and through improved revenue collection efforts within various divisions of the **Office of Management & Budget (OMB)**. The Revenue Commission has added a corporate tax auditor.

Objective 3: Take Job Creation to the Next Level

Goal 7: Create Jobs

The FY17 budget includes funding to continue Metro's economic development cluster strategy (<https://louisvilleky.gov/government/louisville-forward/business-clusters>) within **Economic Development**, which focuses on Advanced Manufacturing, Business Services, Food & Beverage, Lifelong Wellness & Aging Care, and Logistics and eCommerce. Additionally, the FY17 budget reflects the continued Ohio River Bridges project and the initiation of the mixed-use Center City development project featuring apartments, retail, and an Omni hotel. Louisville Metro will invest \$750,000 in a fund to be managed by **Develop Louisville** for private development efforts and job creation with a specific commitment to the Russell Neighborhood. The budget also provides \$600,000 for the **KentuckianaWorks'** summer jobs initiative.

Goal 8: Increase Educational Attainment

Louisville Metro Government continues its commitment to education by allocating \$975,000 to the Metropolitan Scholars partnership with UPS, administered through **Economic Development**. The budget encourages public employee education with a \$315,000 commitment to the employee tuition reimbursement program, administered by **Human Resources**. Funding to support the

region's 55,000 Degrees program has also been included in **Human Resources**. The budget also provides additional funding to the **Louisville Free Public Library (LFPL)** for the design of a new Northeast Regional Library to be built in 2018, as well as operational funding for the South Central Regional Library scheduled to open in February 2017.

Goal 9: Improve Wages

Louisville continues to recruit and support companies within the business clusters where **Economic Development** focuses its main attraction and expansion efforts, ensuring our city is a favorable destination for employers who provide quality jobs. **Louisville Forward** continues to cultivate relationships with current and potential businesses to promote investment in our community's workforce, along with education attainment, such as the Code Louisville Program, which was recognized by the White House in the spring of 2015.

Goal 10: Promote Our Local Food Economy

The FY17 budget continues to fund the Farm to Table program, which connects local and regional farmers with local food markets, institutional users and restaurants. Additionally, the independently-owned restaurant scene and bourbon-related tourism (locally known as "bourbonism"), both signs of a flourishing food economy, have seen growth with several urban distilleries, a greater number of options of locally-produced food, and museum-quality experiences within the central business district. **Develop Louisville** will continue to provide support to the burgeoning West Louisville FoodPort project, which will co-locate existing businesses along the local food supply chain in a collaborative model, at 30th Street and Muhammad Ali.

Objective 4: Invest In Our People & Neighborhoods

Goal 11: Revitalize Our Parks and Enhance Recreational Opportunities

The **Parks & Recreation** budget contains funding for Louisville Loop projects, a 100-mile trail system that is under development (<http://louisvilleky.gov/government/louisville-loop>) along with \$1.7M for repairs and deferred maintenance of the park system. The budget includes \$675,000 for improvements to Shawnee, William Harrison, Russell Lee and Wyandotte parks. Additionally, the budget also includes \$400,000 for community center capital improvements (<https://louisvilleky.gov/government/parks/community-centers>). The budget also provides \$4M to Slugger Field to make capital improvements.

Goal 12: Increase and Preserve Affordable Housing Choices throughout Louisville Metro

The **Develop Louisville** budget continues operational funding used to administer and support a bond issuance of \$12.0M funded in FY16 to create 1,500 more affordable housing units in the short-term with the anticipated loan repayments used to seed a revolving loan fund. Additionally, the FY17 budget includes \$500,000 to support market rate housing and a \$600,000 HOME match paired with

**LOUISVILLE METRO
BUDGET/STRATEGIC PLAN ALIGNMENT
FISCAL YEAR 2016-2017**

\$2.4M of federal funding to provide safe, decent and affordable housing throughout the community. Additionally, \$2.5M is also included to provide funding to the Affordable Housing Trust Fund (AHTF).

Goal 13: Help Our Citizens Get Healthy

The **Department of Public Health & Wellness (PHW)** budget funds a new community health social worker, senior substance abuse counselor, and a health education specialist to continue PHW's focus on policies that will lead to a healthier Louisville, the continued digitization of medical records, and the continued implementation of "Healthy Louisville 2020" - our community's strategic plan for improving health outcomes for all residents of Louisville. The FY17 budget provides an additional \$229,000 for a total of \$541,000 toward the needle exchange program. In the **Department of Corrections**, federal funding supporting a community outreach specialist that assisted eligible inmates with Medicaid enrollment is set to expire. As a result, additional local support totaling \$45,000 is included to continue this enrollment initiative. Additionally, the budget funds the promotion of healthy living through a downtown Bike Share Program and a total of three CycLOUvia events in **Develop Louisville**. A grant to The Healing Place for \$500,000 is included in **Develop Louisville** to further addiction recovery efforts in the community.

Goal 14: Build Opportunities for the Arts and Creative Industries

Louisville Forward embraces the city's rich and diverse arts community by providing a \$500,000 Arts Fund in support of external agencies, and \$100,000 for the public art pilot project. \$50,000 will fund ongoing capital maintenance at the **Kentucky Science Center**. Funding of \$225,000 for **Parks & Recreation's** West Louisville Outdoor Learning Initiative creates a base for environmental education and outdoor recreational programming. There are monthly musical spotlights of local musicians and artists in the Mayor's Gallery in historic Louisville Metro Hall.

Goal 15: Increase Inclusion and Create Equity

This budget continues to advance diversity through **Louisville Forward's** support of WorldFest and increases inclusion through ADA-compliant sidewalk improvements administered by **Public Works & Assets**. An additional \$300,000 for a total of \$500,000 of local funding has been provided to **KentuckianaWorks** to continue the federal Right Turn grants to provide comprehensive services to 100 court-involved young adults between the ages of 18 and 24, with a focus on participants in the Shawnee and Russell neighborhoods.

Goal 16: Decrease Abandoned Structures

The Vacant and Abandoned Properties (VAP) team will continue to be funded under **Develop Louisville** and will receive \$779,000 to clear titles and facilitate ownership change on blighted properties. The budget replaces state funds of \$635,000 with local funds to continue existing demolition and foreclosure efforts.

LOUISVILLE METRO
BUDGET/STRATEGIC PLAN ALIGNMENT
FISCAL YEAR 2016-2017

Objective 5: Create Plans for a Vibrant Future

Goal 17: Plan for Our Future

The budget includes \$350,000 to continue the update to Metro's 20-year Comprehensive Plan (the master development and land use plan for Metro) along with funding for staff to continue the major planning projects under way such as Vision Louisville (<http://louisvilleky.gov/government/advanced-planning/vision-louisville>) and Move Louisville (<https://louisvilleky.gov/government/advanced-planning/move-louisville>).

Goal 18: Increase Diversion: Reduce, Reuse, Recycle

The Office of Sustainability within **Develop Louisville** will continue to implement policies that improve recycling within Metro Government and encourage businesses to follow. Brightside's "One Bright City" funding will allow the agency to monitor litter and other cleanliness factors at ten locations within each council district, using the collected data toward better clean-up and recycling promotion efforts.

Goal 19: Foster a Culture of Creativity and Innovation

The FY17 budget funds \$115,000 in **Develop Louisville** to continue to fund the popular Cultural Pass, allowing students free summer admission local museums, art exhibits, the **Louisville Zoo**, and **Kentucky Science Center**.

Goal 20: Create a More Sustainable Louisville

The FY17 budget provides \$750,000 toward tree planting to increase Metro's tree canopy, as well as \$75,000 for a sustainability study. A sustainability staff person is also included to help achieve Sustain Louisville goals and objectives.

Goal 21: Grow as a Compassionate City

Louisville Metro Government will continue its partnership with 501(c)(3) organizations focused on youth and social services by providing a \$1.3M external agency fund and \$1.1M in funding for the Community Ministries through **Community Services**, as well as continuing to expand the Mayor's Give-A-Day week in FY17, promoting compassion throughout the community.

**LOUISVILLE METRO
BUDGET BACKGROUND, PROCESS, AND FINANCIAL POLICIES
FISCAL YEAR 2016-2017**

1. Organization

In the 2000 General Election, local voters approved consolidation of the governmental and corporate functions of the City of Louisville, Kentucky (the City) and the County of Jefferson, Kentucky (the County) into a single political entity, and pursuant to legislation enacted by the Kentucky General Assembly, the Louisville/Jefferson County Metro Government (the Metro Government or Louisville Metro) commenced operations effective January 6, 2003, replacing and superseding the governments of the City and the County. Neither the City nor the County continues to exist as an independent governmental entity and the boundaries of the City of Louisville and Jefferson County are now co-extensive.

All executive and administrative power of the consolidated local government is vested in the office of the Mayor. The Mayor of the consolidated local government possesses substantially all the power and authority possessed by the Mayor of the City of Louisville and the former Jefferson County Judge/Executive prior to the effective date. The legislative authority of the consolidated local government is vested in the Metro Council, composed of one member elected from each of twenty-six (26) council districts for staggered four-year terms.

2. Budgeting and Amending Procedures

An annual appropriated budget is adopted for the General Fund on a cash basis separate from generally accepted accounting principles (GAAP) in the United States of America. The Governmental Fund Statements presented in the [Comprehensive Annual Financial Report \(CAFR\)](#) are prepared using a modified accrual basis in accordance with GAAP. An example of a difference between the budget and CAFR includes the elimination of non-economic transactions such as a charge for service by the Fleet Division of the Office of Management & Budget to maintain a vehicle for a specific department (budgetarily recorded as a revenue to the Fleet Division and an expense to the department, but eliminated in the CAFR presentation). Other examples include not budgeting for the mark-to-market accounting entry made at fiscal year-end to record any market rate change to Metro's investment portfolio or budgeting for specific levels of inventories throughout Metro Government.

All annual appropriations from the General Fund lapse at year-end, unless otherwise noted. The Revised Budget totals for FY16 presented herein may be minimally out of balance due to aggregate rounding of budget revisions that occur throughout the year; all budgets are balanced throughout the year at the smallest reporting level within Louisville Metro's financial system (the unit activity level).

On or before June 1 of each year, pursuant to state statute, the Mayor proposes an Executive Budget to the Metro Council, incorporating an estimate of revenues and recommended appropriations from the General Fund as well as a Capital Budget incorporating available sources of funding. The Metro Council may hold hearings and amend the Executive Budget. On or before June 30 of each year, as required by state statute, the Metro Council adopts the Executive Budget, as it may have been amended, as the approved budget for the fiscal year beginning July 1. An affirmative vote of a majority of the Metro Council is required to change the proposed appropriations or to revise revenue estimates contained in the Executive Budget. An affirmative vote of a majority of the Metro Council is also required to amend the budget once it has been approved or to approve any supplemental appropriations, unless delegation is provisionally included in the annual budget ordinance(s).

**LOUISVILLE METRO
BUDGET BACKGROUND, PROCESS, AND FINANCIAL POLICIES
FISCAL YEAR 2016-2017**

All budget adjustments at the department level must be approved by the Chief Financial Officer consistent with the approved budget.

3. Definition of Fiscal Year, Capital Expenditures, and a Balanced Budget

Louisville Metro Government operates on a fiscal year which commences July 1 and ends June 30. Metro Government defines capital assets as assets with an initial individual cost of more than \$5,000 and an estimated useful life in excess of one year.

The accompanying Summary of Annual Fund Balances table identifies resources and appropriations for the fund sources that are predominantly locally driven in terms of appropriation authority (as opposed to a specific grant fund for a specific purpose). The funds identified include the General Fund, Capital Fund, Municipal Aid/County Road Aid, and Community Development Fund. Metro Government's definition of a balanced budget is one in which each of those identified funds is balanced based on adopted current year revenue and entitlement projections. Such a budget would, at a minimum, maintain the Unassigned General Fund balance at the conclusion of the fiscal year.

Items identified as a non-recurring funding source are generally directed into capital project appropriations. Beyond maintaining an annually balanced budget, Metro Government has made strides to progress to a structurally balanced budget where appropriation needs and growth are consistent with revenue growth. The Mayor has made that objective a key part of Metro Government's Strategic Plan (Objective #2: Enact Comprehensive Financial Management). This budget continues to build on the progress of the first term of the Fischer Administration by matching growth in compensation to projected growth in revenues, limiting expense growth through innovations such as the employee wellness center, and increasing revenue collection efforts especially as they relate to property fines, medical billing, and Revenue Commission operations.

4. Strategic Planning and Budget Process Timeline

In 2012, the Mayor's Office of Performance Improvement launched a comprehensive strategic planning process designed to translate the Mayor's multi-year vision and goals into a comprehensive strategic plan that cascades throughout Metro Government and aligns the strategic goals and initiatives of all Metro Departments and Agencies with the Administration's goals. Metro Government's planning cycle:

- Establishes a single, coordinated, strategic planning cycle for all of Metro Government aligned to the fiscal year
- Enables the Mayor's vision and goals to inform department-level strategic, budgetary, and operational plans on an annual cycle
- Ensures required decisions are made at the right time, by the right people, with the right information

The planning cycle begins each year in August when the Mayor, Chiefs, and Directors review the local (city and state) and national trends affecting cities, the initiatives positively impacting other municipalities, the findings of reviews or audits (e.g., Merger 2.0 Report), the results from various citizen surveys, and the feedback received from community venues. They then meet to discuss the internal strengths and weaknesses of Louisville Metro Government as well as the external opportunities and threats facing Louisville at present and in the future. Together, the Mayor and his leadership team distill

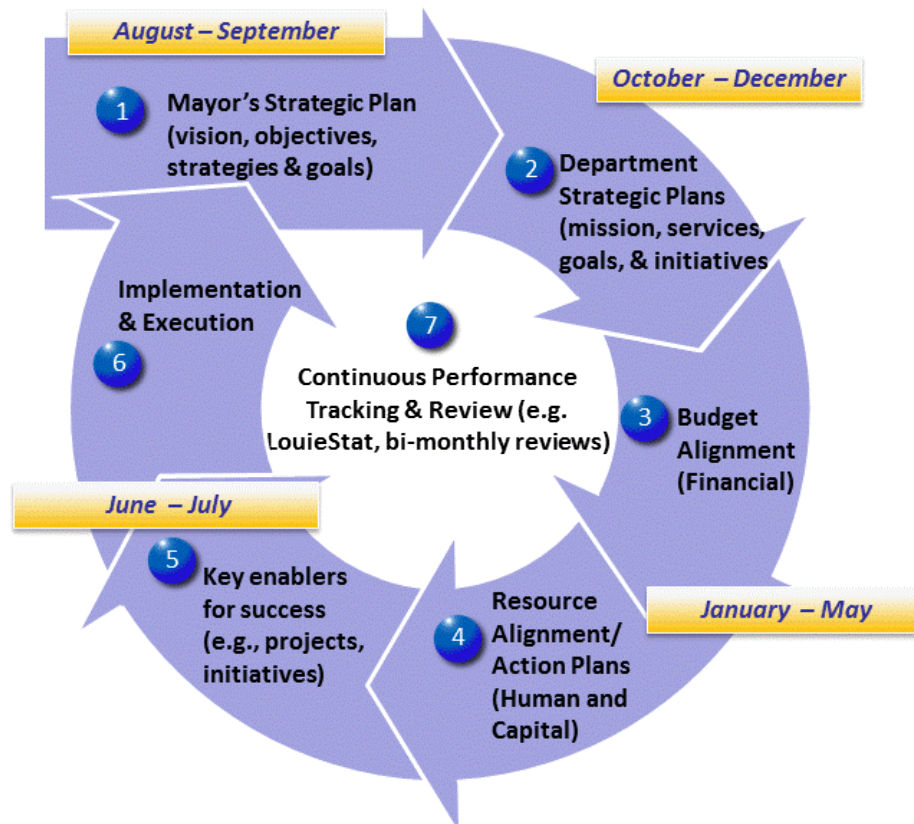

**LOUISVILLE METRO
BUDGET BACKGROUND, PROCESS, AND FINANCIAL POLICIES
FISCAL YEAR 2016-2017**

the priorities for the city and develop the plan to capitalize on Louisville's strengths, take advantage of the opportunities before the city, address weaknesses, and mitigate the potential barriers of success in creating a city of life-long learning and great jobs, wellness and compassion.

The Louisville Metro Government Strategic Plan is shared with each department and agency for an assessment of feasibility and completeness. Departments and agencies use the plan to inform the development (or refinement) of their own strategic, budgetary, and operational plans.

Progress against the strategic plan is assessed through tri-annual strategic report-outs in December, April and August, and at quarterly LouieStat sessions (<http://www.louiestat.louisvilleky.gov/>) for each department.

The annual budget process begins in January upon completion of each department's strategic plan. Questionnaires related to each department's strategic plan, service delivery plans, revenues, contracts, organizational structure, grants, and capital plans are distributed. Follow-up meetings between the Office of Management & Budget and each department take place in February and March. Detailed budget reviews are presented to the Mayor and his leadership team in April and early May along with legislative briefings to Metro Council. The Mayor's Recommended Budget is presented to Metro Council in late May and Metro Council conducts budget hearings during the month of June to review and adopt Louisville Metro's operating and capital budgets prior to July 1.

5. Department Goals, Objectives, and Performance Measurements

Department goals and objectives are directly related to the Mayor's Strategic Plan. Each specific department's strategic plan and related goals and objectives may be found on the departmental website listed on each department's narrative page in the Operating section of this budget document. Each goal supports one of the Mayor's objectives in the overall Strategic Plan. Specific initiatives are listed to attain each goal. The Mayor's Strategic Plan may be found at the following website: <http://louisvilleky.gov/government/mayor-greg-fischer/strategic-plan>.

Progress on the Mayor's Strategic Plan is reported publicly each January with interim internal reports every four months. The following are hyperlinked updates by goal from January 2016 (another update will be forthcoming in January 2017):

[Goal 21: Grow as a Compassionate City](#)

The Office of Performance Improvement & Innovation (OPI&I) initiated the LouieStat program to measure each department's success in reaching its goals. LouieStat, short for Louisville Statistics, is based on the successful CompStat (Computer Statistics) model started by the New York Police Department and used by the Louisville Metro Police Department. Under the vision and direction of Mayor Fischer, LouieStat builds off of successful adaptations of CompStat for cities such as Baltimore and the Mayor's own experience in driving continual improvement in the private sector.

Through LouieStat, OPI&I helps departments and agencies evaluate how well they are doing on meeting their mission and goals and supports managers in making more informed, data-driven decisions. This is accomplished through the identification, tracking, and analysis of key performance indicators (KPIs) of success specific to the department or agency. In LouieStat, information is gathered on an array of performance indicators. For example, Public Health & Wellness includes a KPI on addressing food facility inspections. This information is analyzed to identify root causes driving performance. Managers from each department meet with the Mayor and his Senior Leadership Team to discuss results and work together to identify solutions to challenges and opportunities to continually improve. The LouieStat reports may be found at: <http://louiestat.louisvilleky.gov/>. Each individual department's LouieStat performance updates are hyperlinked on that department's narrative page within the Operating section of this document.

6. Short-Term Factors in Budget Development

Short-term factors that influenced the FY17 budget included planning for a full year of implementation for FY16 initiatives, beginning in the middle of the fiscal year, such as fully staffing the South Central Regional Library as it opens in FY17. During FY16, Louisville Metro was awarded a COPS (Community

**LOUISVILLE METRO
BUDGET BACKGROUND, PROCESS, AND FINANCIAL POLICIES
FISCAL YEAR 2016-2017**

Oriented Policing Services) grant, which required a structural change to the anticipated level of sworn officers, increasing the average total by at least ten more officers.

Louisville Metro was the beneficiary of stable energy and fuel prices anticipated for FY17, budgeting flat to FY16 for auto fuel. Outside of general personnel expense, the largest line item in the budget is for pension expense—both hazardous duty (32.95% in FY16 and 31.06% in FY17) and non-hazardous duty (17.06% in FY16 and 18.68% in FY17) pension rates for the County Employee Retirement System (CERS) remained stable allowing for a budget of \$72.9M in FY17 compared to a FY16 budget of \$72.3M.

The Commonwealth of Kentucky adopted a biennial budget for the FY17-FY18 period in April 2016. Multiple cabinets that Metro has either contracts or financial relationships with were funded at a reduced level. Relatedly, Metro reduced anticipated intergovernmental revenue as it relates to state reimbursements at Corrections and Youth Detention Services by approximately 6.0% and 9.8%, respectively. Metro also has contractual support for state road and traffic signal maintenance that may be affected by the Commonwealth's Transportation Cabinet biennial budget. At the time of publication, ongoing state-funded support for various Public Health & Wellness programs has not been determined. Additionally, one-time state funding from the National Mortgage Settlement funds obtained by the Attorney General have been fully expended during FY16. Metro is replacing \$635,000 of state funds with local funds to assist in foreclosure and demolition activities for vacant and abandoned properties (VAP).

Lastly, Metro has funded multiple items related to addiction services, including Naloxone for first responders, expansion of a needle exchange program, a public health counselor, and a \$500,000 grant to increase addiction recovery bed capacity at The Healing Place.

7. Long-Range Factors in Budget Development

Louisville Metro is focusing attention on community investments that will enhance our ability to attract businesses as well as our quality of place. To achieve this long-range goal, the Mayor has focused on gaining legislative authority for the residents of Jefferson County to be allowed to vote for a local option sales tax to fund infrastructure improvements. This legislative initiative has been termed Local Investments for Transformation, or LIFT. It is anticipated that this initiative will come before the state's General Assembly in the 2017 session.

Because Metro must continue to address deferred infrastructure maintenance in the short-term, this budget takes advantage of Metro's relatively steep amortization schedule of debt (anticipated to be at 39% of total outstanding principal repaid within a 5-year term and 64% within a 10-year term). The budget includes a \$67.6M bond for roadways, bike lanes, sidewalks, Metro-owned facility improvements (Metro Hall, City Hall, and Slugger Field), construction of a new animal shelter, enterprise-wide technology upgrades, and vehicles and equipment for Police, Fire, EMS, and the general fleet. The bond will include varying maturities of 5-year (\$19.4M), 10-year (\$30.7M), and 20-year (\$17.6M) terms. Metro plans to take advantage of the relatively steep debt service drop-off in FY20 by structuring the bonds to be wrapped around existing debt service to reduce spikes in total net debt service cost.

This budget will continue the build-out of the regional library plan by providing seed funding for schematic design and design development for the Northeast Regional Library, the final of the three regional libraries planned for in the Library's Master Plan.

Mayor Fischer has committed to address the long-term issue of affordable housing throughout the community by building on the \$12M Louisville CARES affordable housing initiative he introduced in the FY16 budget. In the FY17 budget he has included \$2.5M toward the Affordable Housing Trust Fund (AHTF) to assist in housing needs across a broader spectrum.

With the ever changing world of information technology, which will drive current and future business decisions, the FY17 budget invests \$7.5M for a new tax collection system to be phased over two years. The investment will ensure compliance with regulations, enhance the efficiency of collection efforts, and streamline collaboration with the Internal Revenue Service and other external agencies. Other technology investments in the budget include \$6.2M for a new work order management system, which will replace the current Hansen system, and \$640,000 for enhanced network security.

8. Service Level Changes & Reorganizations

The FY17 budget includes the following service level changes and reorganizations:

- A. The Louisville Free Public Library (LFPL) is adding seven full-time and six part-time positions to operate the new South Central Regional Library scheduled to open in February 2017.
- B. The Department of Corrections is replacing federal funds with local funds to add a Community Outreach Specialist who will be responsible for connecting inmates, upon release, with health insurance.
- C. Public Works & Assets will add three permit inspectors and two engineers to facilitate capital project completion and assist in implementing the debt financed projects proposed in the FY17 capital budget.
- D. Public Health & Wellness (PHW) will be adding a community health social worker, senior substance abuse counselor, and a health education specialist to continue the department's focus on public health, policy, and assurance services. Also, the Office of Safe & Healthy Neighborhoods will add one additional staff person.
- E. Economic Development is adding a globalization manager to develop, coordinate, and maintain the communication channels with the immigrant communities as well as the larger community.
- F. Develop Louisville is adding one sustainability staff person to help achieve Sustain Louisville goals and objectives.
- G. The Office of Management & Budget (OMB) is adding one revenue-generating position; one related to corporate tax audits within the Revenue Commission Division.
- H. The Archives division within the Department of Information Technology (DoIT) has been transferred to the Office of Management & Budget (OMB) and joins the Open Records staff to form the Records Compliance division.
- I. The Department of Human Resources is adding two classification and compensation analysts to increase response times and streamline the hiring cycle.
- J. The Office of Performance Improvement is adding a data officer to oversee the development and implementation of the city's data strategy, which includes constructing a comprehensive strategy for citywide data collection, usage, and storage.

- K. The Department of Information Technology is adding a systems program analyst and an enterprise GIS coordinator to address emerging and critical areas around mapping data, citizen-facing open data, as well as GIS.

9. Financial Policies

Metro Government maintains numerous financial policies related to revenue collection, risk management, procurement, investments, accounting procedures, payroll, budgeting procedures, and accounts payable. Three policies of note (briefly quoted here) are:

Unrestricted Fund Balance Policy:

In managing its Unrestricted General Fund Balance (Financial Stabilization Fund), it is Louisville's policy to:

- Maintain a Financial Stabilization Fund balance between one and two months of monthly average current year general fund budgeted expenditures
- Generate additional revenues or reduce expenditures to maintain or replenish the Financial Stabilization Fund balance to meet the policy amount

Debt Policy:

In managing its debt, it is Louisville's policy to:

- Achieve the lowest cost of capital
- Ensure the highest credit ratings possible consistent with the current economic and demographic conditions of the community
- Assure access to the capital credit markets at all times
- Preserve financial flexibility as it relates to the timing and structure of debt
- Manage interest rate risk exposure

Statement of Investment Policy:

These policies are designed to ensure the prudent management of public funds, the availability of operating and capital funds when needed, and an investment return competitive with comparable funds and financial market indices.

It shall be the policy of the Metro Government that all investments and investment practices meet or exceed all statutes governing the investment of public funds in Kentucky and investment restrictions imposed by bond covenants. Further, accounting for the investments of the Metro Government shall be consistent with guidelines of the Governmental Accounting Standards Board (GASB).

10. Fund Balance Information

Fund balance is defined as the difference between assets and liabilities. Louisville Metro presents four primary governmental funds in its CAFR each year: General Fund, Special Revenue Fund, Capital Projects Fund, and Non-major Governmental Funds. The fund balance totals are then identified into the following categories: Non-spendable, Restricted, Committed, Assigned, and Unassigned. A full definition

of each category may be found in Note 1.P. (Summary of Significant Accounting Policies; Fund Balances) of the [FY15 Louisville Metro CAFR](#) (Page 49). The only fund to have an Unassigned Fund Balance is the General Fund. A summary of the FY15 CAFR along with projected changes to the Unassigned Fund Balance is provided here:

Governmental Funds

Most of Louisville Metro's basic services are reported in Governmental Funds, which focus on how money flows into and out of those funds and the balances left at year-end that are available to spend. These funds are reported using modified accrual accounting, which measures cash and all other financial assets that can readily be converted to cash.

Louisville Metro reports for the following Governmental Funds:

- The **General Fund** is Louisville Metro's primary operating fund. It accounts for all general government activities which are not required to be accounted for in another fund.
- The **Special Revenue Funds** account for specific revenues that are restricted or committed to be spent for specified purposes other than debt service or capital projects. Louisville Metro reports federal and state grant money in various Special Revenue Funds.
- The **Capital Projects Funds** accounts for the acquisition or construction of general capital assets.
- **Non-Major Governmental Funds** are comprised of the Special Purpose Capital Fund, Debt Service Funds, and Capital Projects Funds of certain blended component units. The Special Purpose Capital Fund accounts for the acquisition of assets, such as vehicles and data processing equipment, which are funded by specific revenue sources. The Debt Service Fund accounts for resources set aside to meet current and future debt service requirements on general long-term debt. The Capital Projects Fund of certain blended component units accounts for the acquisition or construction of general capital assets.

**LOUISVILLE METRO
FUND STRUCTURE
FISCAL YEAR 2016-2017**

Proprietary Funds

Proprietary Funds distinguish operating revenues and expenses from non-operating items. They account for the purchase of insurance, the operation and administration of Metro's self-insurance programs, and the administration and collection of Metro's occupational tax.

Louisville Metro reports for the following internal service funds:

- The **Insurance & Risk Management** Fund is used to account for Louisville Metro's self-insurance programs, including the employee health care fund.
- The **Revenue Commission Fund** is used to account for the blended component unit of the Louisville/Jefferson County Metro Revenue Commission. The Revenue Commission Fund is reported as part of the primary government. Its primary purpose is to collect certain taxes and fees on behalf of Metro and to collect and remit debt service requirements on Metro's general obligation bonds.

Fiduciary funds

Fiduciary funds are used to account for assets held on behalf of outside parties, including other governments. Metro Government reports the following fiduciary funds:

Agency Funds, which are custodial in nature, are used to account for assets held by elected officials and other departments as agents for individuals, governmental entities and others.

The **Private Purpose Trust** is used to account for a discount loan program.

Pension Benefit and Trust Funds are used to account for the Firefighters' Pension Fund and the Policemen's Retirement Fund.

Louisville History and A Variety of Current Information

History and Location

Louisville (generally pronounced /'lu:əvəl/ or /'lʌvəl/ by natives, and /'lu:i:vəl/ by others) is the largest city in the Commonwealth of Kentucky. Louisville is located approximately 100 miles south of Indianapolis and 100 miles southeast of Cincinnati. Nashville, Tennessee is located about 170 miles to the southwest. Louisville is also known by various nicknames: Derby City, River City, Falls City, The 'Ville.

The City of Louisville and Jefferson County governments merged in 2003 to form the Louisville/Jefferson County Metro Government, known as Louisville Metro (or Metro). Louisville Metro now covers an area of 397 square miles, of which 380 square miles is land and 17 square miles is water. Louisville is located on the Ohio River along the border between Kentucky and Indiana. Much of the western part of Metro is

*Louisville/Jefferson County –
 Location in the Commonwealth of Kentucky and the Midwest*

located on a very wide flat plane, while the areas to the northeast gradually gain in elevation to become gently rolling. Louisville is influenced by both Southern and Midwestern culture and is sometimes referred to as either one of the northernmost Southern cities or as one of the southernmost Northern cities in the United States.

Louisville was founded in 1778 by George Rogers Clark at the Falls of the Ohio, which created a barrier to river travel, making Louisville one of the oldest cities west of the Appalachian Mountains. Two years later, in 1780, the Virginia General Assembly approved the town charter of Louisville. The town was named in honor of King Louis XVI of France, whose soldiers were then aiding Americans in the Revolutionary War. In 1803, after Kentucky separated from Virginia, explorers Meriwether Lewis and William Clark organized their western expedition across America at the Falls of the Ohio opposite Louisville. The town's early growth was influenced by the fact that riverboats had to be unloaded and moved downriver before reaching the falls. The town grew rapidly in its formative years as a shipping port. By 1828, the population had swelled to 7,000, and Louisville became an incorporated city.

After the Civil War (1865-66), Louisville continued to grow as a river port. It was the founding site of the Louisville and Nashville Railroad, which grew into a 6,000-mile system across 13 states. By 1900, the population of Louisville was 204,731, making Louisville the 18th largest city in the country at that time.

Manufacturing

By the earliest part of the 20th century, Louisville was developing into a large manufacturing center. Belknap Hardware Manufacturing, Ford Motor, Brown and Williamson, and Philip Morris cigarette manufacturing, International Harvester agricultural equipment, General Electric appliance manufacturing and Brown-Forman whiskey distilling grew to represent a large portion of the Louisville workforce. In fact, by 1975, the General Electric Appliance Park employment level reached over 23,000, making it one of the largest singular employment factory sites in the United States.

In more recent years, Metro's economy has become more diversified and less dependent on manufacturing. While the manufacturing presence is still evident with two Ford automotive facilities employing more than 9,000, and the General Electric facility employing over 6,000, the transportation and healthcare sectors comprise a much greater presence in the local economy. In fact, the two largest private sector employers are United Parcel Service, Inc. (UPS) with over 22,000 full- and part-time employees, and Humana, Inc., a large healthcare insurer, employing almost 13,000. Louisville International Airport (SDF) is the home of UPS' Worldport global air hub. This is UPS' largest package-handling hub, which makes SDF the third busiest airport in the United States, handling over 2.4 billion tons of cargo each year. Recently Louisville has emerged as a major center for healthcare and the medical services industries. Louisville has been central to advancements in heart and hand surgery, as well as cancer treatment. Besides Humana and Norton Healthcare, Louisville is home to nearly two dozen other major corporations, including The Kroger Company, Papa John's Pizza, Yum! Brands (parent company to KFC, Pizza Hut and Taco Bell), along with other healthcare companies, such as Baptist and Kindred Healthcare, and Anthem Blue Cross and Blue Shield Kentucky. Louisville is now a major center of the American whiskey industry – approximately one-third of all bourbon purchased internationally comes from Louisville.

In December 2015, an average of 78,500 persons were employed in the manufacturing industries in the Metropolitan Statistical Area (MSA), engaging in a wide range of activities and producing a variety of products, including food, motor vehicle equipment, textiles and furnishings, machinery and electronics, and consumer products.

Famous Louisvillians

Famous Louisvillians include Muhammad Ali, the multiple heavy-weight boxing champion; Diane Sawyer, ABC News anchor; Ben Sollee, renowned cellist; author Hunter S. Thompson; Academy Award winner Jennifer Lawrence; and Louis Brandeis, a former Justice of the United States Supreme Court.

Other famous citizens include Paul Hornung, member of the Professional Football Hall of Fame; historic military officer George Rogers Clark; Denny Crum, Hall of Fame collegiate basketball coach; Colonel Harland Sanders, who founded Kentucky Fried Chicken (KFC); as well as Darrell Griffith, the University of Louisville basketball star who led his team to its first of three national NCAA basketball titles. Other notable Louisvillians were Mildred and Patti Hill, the composers of the iconic "Happy Birthday" song.

Cultural Attractions and Events

Louisville is home to many annual cultural events. The largest and most well-known is the Kentucky Derby horse race held on the first Saturday in May at Churchill Downs. Churchill Downs has also hosted the internationally-renowned Breeders' Cup on eight occasions, most recently in 2011; and, a record ninth hosting of the Breeders' Cup will take place in 2018. The Kentucky Derby Festival comprises over 70 events and begins two weeks prior to the running of the Kentucky Derby. The festival includes Thunder Over Louisville, the largest annual fireworks display in North America. It features other notable events such as the Pegasus Parade, Great Steamboat Race, Tour de Lou, the Chow Wagon on the Waterfront and BalloonFest.

In 1920, Louisville's first zoo was founded at Senning's Park (present-day Colonial Gardens), next to Iroquois Park. Barely surviving through the Great Depression, it closed in 1939. Its successor, the current Louisville Zoo, opened in 1969.

In 1923, the Brown Hotel's chef, Fred K. Schmidt, introduced the Hot Brown sandwich in the hotel restaurant, consisting of an open-faced sandwich of turkey, bacon and tomato smothered with cheese. The Hot Brown became popular among locals and visitors alike, and still can be ordered in many local restaurants.

Louisville is particularly noted for its extensive and well-designed parks system. Louisville Metro contains 120 parks covering more than 13,000 acres with nine golf courses. Eighteen of Louisville's parks were designed by the famous Frederick Law Olmsted and his firm. Most prominent among these parks are Cherokee, Iroquois and Shawnee parks. Olmsted also designed New York City's Central Park, as well as the grounds at Biltmore Estate in North Carolina. Louisville's highly regarded Waterfront Park is prominently located on the banks of the Ohio River in the east and central areas of downtown. Growth is planned for the western banks as well. The Big Four Bridge, a former railroad bridge spanning 547 feet, is now a pedestrian bridge connecting Louisville's Waterfront Park with Jeffersonville, Indiana's waterfront park. Remarkably, since opening in June 2013, more than 1,000,000 walkers and bicyclists have used the bridge each year.

Louisville has a love for all forms of art, food and music, and has many fairs and festivals to celebrate local and national musicians, chefs and other artists. October features the St. James Court Art Show in Victorian Old Louisville, which is one of the largest and best attended regional art fairs. Founded in 2002, Forecastle Festival has grown from a neighborhood music event to one of the country's most anticipated summer festivals, drawing tens of thousands of fans from across the world to Louisville's scenic 85-acre Waterfront Park.

The Belle of Louisville, today recognized as the oldest river steamboat in operation, came to Louisville in 1931, but celebrated its centennial in 2014. Completely paddlewheel-driven with a steel hull that draws only 5 feet of water, she was able to travel on virtually every navigable inland waterway, earning her the distinction of being the most widely traveled river steamboat in the nation. The Belle was named a National Historic Landmark in 1989.

Education

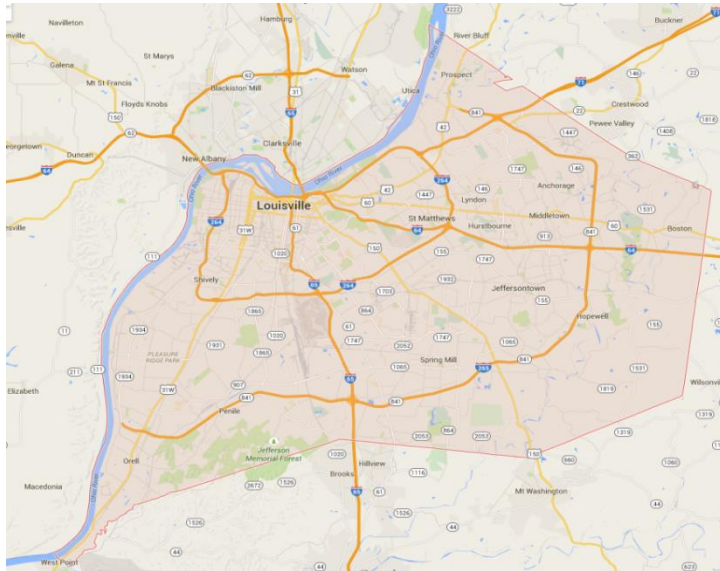

The Consolidated School System had its beginning in 1975 with the merger of the Louisville and Jefferson County School Systems. Today's Jefferson County School District is governed by a seven-member Board of Education. Members represent individual election districts, and serve staggered four-year terms. The members elect a chairperson and vice chairperson from the members. The Superintendent is Secretary of the Board and its executive officer. JCPS is the largest district in Kentucky and is the 27th largest system in the nation. There are more than 100,000 students enrolled with 6,400 teachers.

The Louisville Metropolitan Statistical Area has 24 colleges and universities, including the University of Louisville, Spalding University, Indiana University-Southeast, Bellarmine University, and Jefferson Community & Technical College. Total higher education enrollment exceeds 61,000 students annually. Eight of Louisville MSA's institutions of higher education offer graduate programs. Two major graduate professional schools of religion are also located in Louisville: Southern Baptist Theological Seminary and Louisville Presbyterian Theological Seminary. Several commercial and vocational schools are located in the Louisville MSA.

Transportation

The Louisville Metro Area is a regional transportation center with major rail and river lines and three interstates running through its boundaries. The metropolitan area is a major air and logistics hub. Louisville is home to the \$1.1 billion United Parcel Service (UPS) Worldport hub. Louisville is also home to a thriving public transportation network with annual bus ridership on the Transit Authority of River City (TARC) of approximately 17 million people. TARC's new ZeroBus is a fast-charging, all-electric bus that produces zero emissions. With 10 new ZeroBus vehicles, our city has one of the largest fleets of this kind in the country.

Three major interstate highways pass directly through Louisville; Interstates 65 and 71 are north-south routes, while Interstate 64 is a major east-west route. Interstate 264 (Watterson Expressway), and Interstate 265 (Gene Snyder Freeway) serve as limited-access bypasses around the city center. Louisville is served by six railroad companies, which provide freight service to principal markets throughout the United States. Scheduled commercial airline service is available at Louisville International Airport (Code SDF), four miles south of downtown Louisville. Bowman Field (Code LOU), five miles east of downtown, maintains two paved runways

for private plane use. The Louisville and Jefferson County Riverport Authority and several privately-owned facilities provide public-use port facilities. Louisville also serves as a U.S. Customs Port of Entry.

Kentucky and Indiana are working together to meet the cross-river transportation needs of the Louisville and Southern Indiana region through construction of the Ohio River Bridges Project, one of the largest transportation improvements in the nation. Kentucky is responsible for the Downtown Crossing (Interstate 65) while Indiana is responsible for the East End Crossing (Interstate 265). The Downtown Crossing was opened to traffic in December 2015 and is now named the Abraham Lincoln Bridge. Construction on the East End Crossing is scheduled to be completed in December 2016. The total cost of both bridges is currently projected to be \$2.3B (November 2015 estimate).

Medical Facilities

Louisville's strong downtown medical complex includes Norton Hospital, Kosair Children's Hospital, and KentuckyOne Health. Norton includes Norton Audubon and Norton Suburban Hospital, a cancer center and spine institute. KentuckyOne Health is the largest and most comprehensive health system in the Commonwealth. It has more than 200 locations including hospitals, physician groups, clinics, etc. in Kentucky and Southern Indiana. The KentuckyOne Health system is made up of the former Jewish Hospital & St. Mary's HealthCare and Saint Joseph Health System, along with the University of Louisville Hospital and James Graham Brown Cancer Center. Jewish Hospital is home to a hand-surgery institute, which was the first in the United States to perform a successful hand transplant; its heart surgery program was the first in the nation to implant an AbioMed artificial heart.

Metro's total consolidated population as of the 2015 census estimate was 763,623; however, a population total of 612,780 (2014, latest available) which excludes the semi-autonomous home-rule cities within Louisville Metro is the population figure most commonly listed in national rankings. The Louisville/Jefferson County, KY-IN Metropolitan Statistical Area (MSA), sometimes referred to as Kentuckiana, includes Jefferson County (KY) and 11 surrounding counties, six in Kentucky and five in Southern Indiana. As of 2015, the Louisville MSA had a population of 1,278,413, ranking 43rd nationally.

**LOUISVILLE METRO
REVENUE DESCRIPTIONS
FISCAL YEAR 2016-2017**

Following are descriptions of revenue collected by Louisville Metro. State and Metro legal references are provided (if applicable).

Key: [Kentucky Revised Statutes \(KRS\)](#), [Louisville Metro Code of Ordinances \(LMCO\)](#), and the Urban Services District (USD) is the area within the former boundaries of the City of Louisville that is now within Jefferson County and part of the merged Louisville Metro Government boundaries.

PROPERTY TAXES

Current Levy:

Real & Personal Property – Louisville Metro levies an **ad valorem tax on real property** located within the boundaries of Louisville Metro. Louisville Metro also levies an additional ad valorem tax on real property located within the USD. The current rates are 12.54 cents and 35.38 cents per \$100 of assessed valuation, respectively. Louisville Metro levies an **ad valorem tax on tangible personal property** (business filed schedules including furniture, fixtures, and computer equipment) located throughout Louisville Metro. Louisville Metro also levies an additional ad valorem tax on tangible personal property located within the USD. The current rates are 16.6 cents and 56.6 cents per \$100 of assessed valuation, respectively. In addition, Louisville Metro levies an ad valorem tax on all **motor vehicles** located within Louisville Metro. The current rate is 16.6 cents per \$100 of assessed valuation. Rate limitations are governed by KRS 132 and are reviewed each fall.

Public Service Corporations – Public Service Corporations are involved in interstate commerce and have their taxable valuations assessed by the State Revenue Cabinet. Louisville Metro levies an ad valorem tax on real property (currently 12.54 cents) and tangible personal property (currently 16.6 cents) of Public Service Corporations located within the boundaries of Louisville Metro. Within the Urban Services District Louisville Metro levies an additional ad valorem tax on real property (currently 35.38 cents) and tangible personal property (currently 56.6 cents).

Bank Deposits & Life Insurance Shares – Louisville Metro levies a **franchise tax** at the rate of .025% on the deposits of banks (KRS 136.575). Within the Urban Services District, the additional franchise tax levied is at the rate of .025% on the deposits of banks. Louisville Metro levies a tax at a rate of 15.0 cents per \$100 on the taxable capital of Domestic Life Insurance companies located in Metro Louisville (KRS 136.320). Within the Urban Services District, the additional tax levied is at a rate of 15.0 cents per \$100 on the taxable capital of Domestic Life Insurance companies.

Distilled Spirits – A tax at a rate of 16.6 cents per \$100 value on bonded distilled spirits stored in warehouses (KRS 132.130 & 132.150).

Deed Tax – This is a fee for the recording of deeds in the County Clerk's Office. The fee is 50.0 cents per \$500 of the assessed value of the property transferred (KRS 142.050).

Delinquent:

Interest & Penalties – Revenue derived from delinquent USD and Louisville Metro property tax payments. Delinquent payments include a 10% penalty and simple interest calculated at 12.0% per annum (KRS 134).

Prior Year – Urban Services District (USD) and Louisville Metro delinquent property taxes.

REVENUE DESCRIPTIONS
FISCAL YEAR 2016-2017**

REVENUE COMMISSION PAYMENTS

Occupational Taxes – Louisville Metro levies a 1.25% tax on employee compensation and business net profits (KRS 91.200). In addition, Louisville Metro levies a 5% license tax on the amount of premiums written by insurance companies doing business within Louisville Metro (KRS 91A.080 and LMCO 122.01-122.99). Group Health Insurance Premiums are only taxed within the Urban Services District (USD). Under KRS 91.200 (5) and (6), the Revenue Commission operating budget expenses, along with the payment of Louisville Metro’s general obligation debt, are deducted from these total collections. The balance is then remitted to Louisville Metro (LMCO 32.452(C)).

Water Company Dividend – Louisville Metro wholly owns the capital stock of the Louisville Water Company and annually receives payment equal to 50.0% of the net income available for the dividend (based on a rolling three-year average) which is net income less specific exclusions such as deposits to the Infrastructure Replacement Reserve (IRR), if made in the current year.

LICENSES AND PERMITS

Alcoholic Beverage Licenses – These funds represent fees paid to Codes & Regulations to regulate licensed businesses selling alcoholic beverages (KRS 243.060 and LMCO 113.15).

Building Permits – Louisville Metro collects various fees relating to the issuance of building, electrical, fire suppression, HVAC, sign, and wrecking permits (LMCO 150.095-150.096). The full list of fees is promulgated by the Codes & Regulations Director and may be found at <https://louisvilleky.gov/government/get-permit>.

Right-of-Way Permit Fees – These funds are collected by Public Works & Assets for permits issued for special loading zones in the downtown area. Also included in these funds are fees paid by utility companies for pavement cut permits and other companies’ easement permits encroaching on the right-of-way (LMCO 72.038).

Degradation Fees – These funds represent fees paid by utility companies for deterioration costs relating to pavement cuts (LMCO 97.092).

Privileges – These funds represent the payment received by Louisville Metro for encroachment along the right-of-ways. Payments include but are not limited to TARC transit stops shelter fees (Kentucky Constitution Sections 163, 164 and LMCO Table of Special Ordinances, Table XIII, Ordinance No. 124 Series 1998). (It should be noted that the two percent (2%) gas franchise fee enacted by Ordinance 92, Series 2014 (KRS Chapter 96) expired on March 31, 2016.)

Special Regulatory Licenses – These funds represent license fees paid to the Codes & Regulations Department for licensing certain activities. Included are adult entertainment establishments, escort services, massage facilities, dance halls, vendors, horse-drawn carriages, junk yards, private detectives, pawn brokers, coin operated machines, block parties and parades (LMCO 115).

IPL Civil Penalties – These funds represent civil penalties involving enforcement of housing code violations (LMCO 150).

Cable TV Franchise – Louisville Metro collects a per annum amount per Ordinance 76, Series 1998 “so the City can undertake the obligation to provide governmental and educational programming” that had previously been provided by the local cable franchisee.

**LOUISVILLE METRO
REVENUE DESCRIPTIONS
FISCAL YEAR 2016-2017**

Gross Revenue and Excise Tax Fund Payment – This payment represents the allocated payment made to Louisville Metro under the Tax Modernization Plan included as part of House Bill 272 (KRS 136.600 – 136.660). Under House Bill 272 in 2005, all cable/satellite TV, and telecommunications companies pay a percentage of their gross revenues (2.4% and 1.3% respectively) along with an excise tax of 3% on cable/satellite TV revenues into the Gross Revenue and Excise Tax Fund administered by the State Revenue Cabinet. The Revenue Cabinet distributes these funds to all local governments, school districts, and special districts. Local governments no longer assess and collect franchise fees from these companies. Payments from this fund offset the loss of franchise fee payments from these companies as well as lower tangible property tax assessments and tax payments from these companies.

Truck License Fees – This fee derives from the motor vehicle registration fees of heavy trucks, buses, and recreational vehicles (KRS 186.050(3)-(14)) (KRS 47.020).

Driver's License Fees – This is Louisville Metro's portion of the fees collected as part of the driver licensing process (KRS 186.535).

FINES

Parking Fines – These funds are collected from parking citations issued for on-street parking violations (LMCO 72.999).

Citation Fee Revenue – These funds represent quarterly payments from the Commonwealth of Kentucky from a pool of funds generated by a \$20 court fee imposed on defendants in Circuit Court criminal cases. Thirty percent (30%) of the fund is distributed equally to all local governments with police departments, fifty percent (50%) of the fund is distributed to local governments based upon a formula using the number of certified officers, and twenty percent (20%) of the fund is distributed equally to all jurisdictions that operate jails or transfer prisoners between jails (KRS 24A.176).

REVENUES FROM USE OF MONEY AND/OR PROPERTY

Investment Income Interest – These funds represent interest earned and net capital gains on Louisville Metro's portfolio.

Public Telephone Fees – These funds represent the commission paid to Louisville Metro from companies operating pay telephones on Metro right-of-ways. As of FY16, these fees are included in Miscellaneous.

Rents – These funds represent payments received by Louisville Metro for rents or leases of property, such as space occupied by the Commonwealth Attorney and the downtown Ford dealership.

CHARGES FOR SERVICE

Revenue Bonds Payment in Lieu of Taxes – These funds represent payments in lieu of real property taxes paid by property owners to Louisville Metro wherein Louisville Metro issued Revenue Bonds financing improvements to the property. Such properties remain in Louisville Metro's name.

Waste Reduction Center, Waste Disposal – These funds represent fees charged to businesses and residents for disposal of junk at the Waste Reduction Center.

**LOUISVILLE METRO
REVENUE DESCRIPTIONS
FISCAL YEAR 2016-2017**

Tow-in-Lot Fees – These funds are fees collected relating to the impoundment and storage of illegally parked and abandoned vehicles along with auction revenue from the sale of unclaimed vehicles no sooner than 45 days after certified notification of owners and lien holders (LMCO 72.062).

Hazardous Material Inspection Fees – These funds represent fees assessed on any facility within the USD that uses, stores, and/or manufactures hazardous materials and is based on the quantity and total number of containers such as cylinders, drums, etc. to cover Louisville Metro’s cost of inspections, mandated reporting requirements, maintaining and providing an information database to emergency responders, and responses to emergency incidents.

Emergency Medical Services – These funds represent the fees paid for receipt of emergency medical services (LMCO 39.045).

Police Records Report – These funds represent charges for copies of accident reports and arrest record checks originating with the Louisville Metro Police Department (KRS 61.874).

Fire Protection – These funds represent fees paid to Louisville Metro for providing fire protection to home-rule cities (KRS 79.110 and LMCO Table of Special Ordinances, Table XII).

Miscellaneous – These miscellaneous revenues include Louisville Metro’s service charges for bad checks, escheat recovery, false alarm fees, child support administration fees, vehicle reimbursement fees from employees with assigned take-home cars, and other small receipts not fitting any of the above categories. As of FY16, Public Telephone Fees were recorded in this category.

Indirect Services – These funds represent Community Development Block Grant (CDBG) funds used to reimburse Louisville Metro for use of central services to conduct Block Grant activities.

INTERGOVERNMENTAL REVENUES

25% State Fees from Sheriff & Clerk – This is Louisville Metro’s portion of fees collected by the Jefferson County Clerk and the Jefferson County Sheriff for operation of their respective offices (KRS 64.350).

Fee Officers’ Terms – This revenue occurs when the County Clerk and/or Sheriff completes their terms or leave office, and is derived from the settling of the accounts of the two offices. As such, this revenue is only realized when either the Clerk and/or Sheriff completes their term or leaves office (KRS 64.830).

District Court Fees – This revenue is a portion (5.5%) of the court costs collected by the Jefferson District Court (KRS 42.320(j)).

Coal/Mineral Severance Taxes – This revenue is Louisville Metro’s portion of taxes levied by the State for the removal and processing of coal, oil, natural gas, and other natural resources mined in the state. The current rate is 4.5% of gross value (KRS 42.470 and 143A.020).

Department of Corrections – This revenue includes a per diem reimbursement from the Commonwealth for housing of federal and out-of-county prisoners as well as an annual stipend from the Commonwealth for the operation of the correctional facility (KRS 441.206). Additionally, Local Corrections Assistance funds resulting from House Bill 463 in 2011 (KRS 441.207) are included in this line item. These funds are used to support local correctional facilities and programs, including the transportation of prisoners.

Youth Detention Services – This revenue includes a per diem reimbursement from the Kentucky Department of Juvenile Justice (DJJ) for housing youth offenders (KRS 15A.305) as well as providing

**LOUISVILLE METRO
REVENUE DESCRIPTIONS
FISCAL YEAR 2016-2017**

reimbursement for Commissioner Warrants and DJJ, Alternative Placement Services, the Home Incarceration Program, and the Home Supervision Program.

Election Expense Refund – This is a State stipend for the conduction of elections. It is based upon the number of registered voters and the number of precincts in Louisville Metro (KRS 117.343 and 117.345).

MUNICIPAL AID & COUNTY ROAD AID

The Municipal Aid Funds (MAF) and County Road Aid funds (CRA) represent Louisville Metro’s share of State Motor Fuels tax collections. These funds are restricted in use for street and street-related expenditures. 7.7% of the State Motor Fuels tax collections (MAFs) are distributed to urbanized areas based upon a formula using decennial census counts (KRS 177.365). 18.3% of the State Motor Fuels tax collections (CRAs) are distributed to counties based upon a formula that takes into account rural population, road mileage outside urbanized areas, and rural square mileage (KRS 177.320).

COMMUNITY DEVELOPMENT FUND

These funds represent Louisville Metro’s Federal Community Development Block Grant (CDBG) funds. These funds are restricted for use in low- and moderate-income areas.

CAPITAL FUND

These funds represent interest earned and net capital gains on the capital portion of Louisville Metro’s portfolio.

OTHER FUNDS (NET TOTAL)

These funds represent anticipated surplus property sales proceeds, unexpended appropriations from prior capital projects, other potential carryforward amounts available from a prior year less the anticipated replenishment of the Unassigned General Fund Balance during the upcoming fiscal year.

LOUISVILLE METRO
REVENUE ESTIMATES AND RECEIPTS SUMMARY
FISCAL YEAR 2016-2017

Revenue

Total available funds are estimated at \$611,237,600. This includes: \$583,423,600 in General Fund (GF) revenues; \$12,400,000 in State Municipal Aid Program (MAP) and County Road Aid Program (CRA) funds; \$10,994,000 in Community Development Fund funds; \$130,000 from the Capital Fund; and a net total of \$4,290,000 from items such as the carry forward of surplus FY16 revenues.

In FY17, the estimated total funds available of \$611,237,600 will be \$12,034,819 more than the projected \$599,202,781 available in FY16. This represents an increase of 2.0%.

Overall GF revenue growth is anticipated at 1.6% in FY17 compared to the FY16 estimate. The FY17 GF estimate of \$583.4M is \$8.9M more than the FY16 GF forecast of \$574.5M. The FY16 estimate includes \$3.1M in revenue from the Louisville Gas & Electric gas franchise fee that expired on March 31, 2016. Excluding this franchise fee revenue, the growth rate for FY17 General Fund revenue would be 2.1% over the FY16 Estimate.

Employment and wage growth continue to be positive and employee withholdings are estimated to grow by 4.2% in FY17 totaling \$268.6M (46% of GF revenue). As of May 2016, Louisville Metro is experiencing our seventh straight year of wage growth.

After growth of 8.7% in FY15 and anticipated growth of 14.9% in FY16, local corporate profits are forecasted to grow 0.9% in FY17 totaling \$65.9M (11% of GF revenue) and insurance premium taxes are anticipated to grow 2.5% in FY17 totaling \$58.4M (10% of the GF revenue).

Growth in real and personal property taxes of 3.8% is anticipated in FY17 totaling \$133.3M (23% of GF revenue). This forecast is based upon preliminary May 2016 assessments from the Property Valuation Administrator (PVA) and the assumption of a potential reduction in real property tax rates to allow for a 4% growth in real property tax revenue from the existing tax base. The proposed new tax rates will not be known until August 2016 when a final recap of the 2016 assessments is received from the PVA.

State Municipal Aid Program and County Road Aid revenues, Metro Louisville's share of the State Motor Fuels tax collections, are expected to total \$12.4M in FY17. This represents a \$250,000 increase (2.1%) increase from FY16 estimated revenue of \$12.15M. The assumption of continued lower gasoline prices at the pump through FY17 will result in only a small increase in revenue since State Motor Fuels tax collections and Metro Louisville's share are based upon a flat percentage of the wholesale price of gasoline.

Revenue estimates were developed primarily based on trend analysis along with the assumption of a continued economic expansion with commensurate wage and profit growth. In some instances, the forecast was affected by the change in revenue streams such as the loss of rental income from the surface parking lot owned by Louisville Metro that has been turned over for the Center City Development Project and the loss of revenue from the gas franchise fee that expired on March 31, 2016.

**LOUISVILLE METRO
DEBT SERVICE
FISCAL YEAR 2016-2017**

Purpose: This section is intended to provide summary level information regarding debt service obligations of Louisville Metro. It is not intended to replace any official transcripts or bond offering documents.

Organization: This section is organized with a cumulative debt service total for Louisville Metro, then a summary listing for the FY17 budget by the entity providing the debt service payment with the bond years ascending to the most recent year of issuance, including anticipated new issuances.

Accounting: The totals provided in this section relate to scheduled debt service within the fiscal year indicated. The Comprehensive Annual Financial Report (CAFR) may differ due to the accrual accounting of interest payments and subsequent reversals upon the first debt service payment of the next fiscal year. For example, a bond with semi-annual payments on April 1st and October 1st would have the associated accrued interest between April 1st and June 30th recorded in the CAFR.

Timing: Where external sources of debt service are listed it is possible that due to the timing of the payment to Louisville Metro the debt service in any single year may not materialize as budgeted, but would be a credit to the next fiscal year. Currently, the 2009F and 2010C bond series are six months in arrears with regard to the external funding from the federal government.

Debt Limits: Metro Government is authorized by Section 158 of the Kentucky Constitution to incur indebtedness to a maximum of ten percent of the taxable property located within the boundaries of Jefferson County. Value of taxable property is to be estimated by the assessment next before the assessment previous to incurring additional indebtedness. The legal debt margin as of the FY15 CAFR is \$7,548,626,178.

Estimates: Occasionally, external sources of debt service rely on estimation of future economic activity. Two examples include the 2009F and 2010D bond series. The 2009F bond series contains provisions for recovery from the federal government under the American Recovery and Reinvestment Act (ARRA) that are listed amounts within the bond transcript, but it also includes fees from developers associated with the System Development Charge Fund (Ordinance No. 66, Series 2006) which is based on development activity within certain geographic zones of houses, condominiums, and apartments. These fees are estimated annually based on permitting trends. Additionally, the 2010D bond series has external funding from the Commonwealth of Kentucky related to growth in sales and income taxes within a defined geographic zone. The amount of external funding is estimated annually based on prior trends and the future economic outlook. Estimates are indicated by light shading over the number. For FY17 the impact of the federal sequester was estimated to reduce federal support payments by 7.2%, impacting the 2009F and 2010C bonds.

PERSONNEL OVERVIEW
FISCAL YEAR 2016-2017**

Collective Bargaining Agreements

As of April 1, 2016, approximately 76% of Louisville Metro's full-time workforce has union representation. With personnel costs comprising approximately 66% of the city's overall operating budget, Metro Government has moved to a labor strategy based on standardizing the definition of overtime eligible labor throughout all contracts and limiting the growth in total compensation (Cost of Living Adjustments, step increases, or other terms of compensation) not to exceed overall average revenue growth. Below is a listing of the current status of collective bargaining contracts:

Collective Bargaining Unit	Contract End Date	Authorization

EMERGENCY SERVICES

Mission Statement	To provide the citizens and visitors of Louisville Metro an effective, proactive approach to disaster management (natural or caused) through preparedness, planning, prevention and mitigation activities, response coordination, and recovery operations. To provide the visitors and citizens of Jefferson County an efficient and effective central point for emergency communications. Also provide high-quality, evidence-based and compassionate emergency medical care. This includes receipt, prioritization, dispatch and coordination of public safety, public service resources, and public information in a courteous and professional manner.
Major Services	<ul style="list-style-type: none"> • Emergency Medical Services, Support and Alternative Care Program • Planning, Preparedness, Response, Recovery and Mitigation • Public Safety Communications (9-1-1) and Public Safety/Services radios • Public Services Communications (3-1-1) and CPR Training and Education
Objectives	<ul style="list-style-type: none"> • Provide 24 hour-a-day, 7 day-a-week pre-hospital emergency medical services • Provide programs to meet the needs of patients with low-acuity medical issues • Provide Community First Aid and CPR Education • Improve Community Preparedness: Reduce the loss of life and property by effectively preparing for natural and caused disasters that impact Louisville Metro and surrounding counties • Ensure effective and efficient Public Safety Communications: Provide a professional, efficient, and consolidated public safety communications center that will process emergency (and non-emergency) calls for service and provide resource management/tracking for the public safety agencies serving the citizens and visitors of Louisville Metro • Ensure Regional Interoperability: Exercise the use of mutually agreed upon tools and procedures; using mutual aid frequencies to include adjacent counties. Explore options for providing our public safety partners and citizens with timely information • Improve Community Disaster Planning: Coordinate the creation and implementation of disaster plans/exercises with Louisville Metro Agencies, adjacent counties, Kentucky Emergency Management and other local, state and federal agencies for natural and caused disasters, to include Chemical, Biological, Radiological, Nuclear, and Explosive (CBRNE) weapons incidents • Provide excellent Customer Services: Provide effective means by which citizens and visitors to Louisville Metro can register concerns, request services, offer suggestions, or ask questions about Louisville Metro

METRO ANIMAL SERVICES

Mission Statement

Metro Animal Services (MAS) has a fundamental mission to protect public health and safety, ensure the humane treatment of animals and provide quality, professional service to the public. MAS will serve as an authority in animal welfare by creating and preserving a safe and humane community for both people and animals. MAS strives to eliminate the euthanasia of adoptable animals in Louisville Metro through education, community engagement, enforcement, and leadership efforts.

Major Services

- Animal Care & Sheltering
- Field Services, Enforcement & Rescue
- Community Engagement
- Animal Adoptions & Placement
- Administration & Licensing

Objectives

- Increase the animal lifesaving rate and reduce euthanasia working towards the eradication of euthanasia of adoptable animals in Louisville Metro
- Improve the quality of life and overall environment for the animals in the care and custody of MAS
- Enhance public safety and animal protection, thereby improving the overall quality of life for the citizens and animals of Louisville Metro
- Enhance agency efficiency and improve the quality and timeliness of services
- Establish a strong and effective community engagement program by expanding programs that involve citizens and offer volunteer opportunities

- Capital Construction, Planning & Land Acquisition
- Facility & Property Maintenance
- Golf Operations
- Iroquois Amphitheater & Special Events
- Park Improvements
- Natural Resource Management
- Forestry & Landscaping
- Recreation Programming
- Historic Properties
- Special Events

Objectives

- Maintain parks and facilities to a high standard of safety and appearance
- Manage resources in a modern, efficient, and accountable way
- Safeguard natural, cultural, and historic resources
- Provide age appropriate activities for youth, adults, and seniors
- Plan, design, and construct parks, trails, and facilities
- Maintain the national accreditation of Metro Parks and Recreation
- Unite people in clean and green activities that beautify and foster pride
- Bring diverse residents together, instill civic pride, foster community spirit and quality of life and create awareness of special events

ECONOMIC DEVELOPMENT

Mission Statement

Economic Development provides a full spectrum of business engagement and support to include retail, commercial and industrial businesses from small business through our large enterprises. The department supports business attraction, retention and expansion through business advocacy and development, international outreach to increase exports and foreign direct investment, and through strong external and internal partnerships while providing excellent customer service.

Major Services

- Business attraction, retention, and expansion with focus to the city's five cluster areas
- Economic Incentives
- Metro Development Authority
- Small Business Development
- METCO Loans
- Local Food Initiatives
- International Economic Development

Objectives

- Oversee Louisville Metro's cluster strategy for business attraction, retention and expansion
- Encourage and enable job creation by augmenting education and workforce pipelines
- Work with economic development partners to attract and retain businesses
- Foster partnerships that build community through public-private partnerships and business and international council outreach
- Provide gap financing opportunities for small and start-up businesses through the METCO
- Loan programs

COMMONWEALTH ATTORNEY

Mission Statement

The Office of the Commonwealth's Attorney enhances public safety and creates an environment of security in Jefferson County through the vigorous enforcement of criminal laws in a just, honest, compassionate, efficient and ethical manner. The Office works with every component of the criminal justice system and the community to protect the innocent, protect the rights of victims and witnesses, and convict and appropriately punish the guilty. While the Office vigorously prosecutes violent and habitual offenders, it is also committed to crime prevention by implementing innovative programs to break the cycle of crime for first-time offenders, mentally-ill offenders, and drug addicted offenders.

Major Services

- Felony Prosecutions

Objectives

Pursue new felony cases

- Aggressively close outstanding cases
- Invoke "Rocket Docket" proceedings, where appropriate, to clear crowded criminal dockets and save on incarcerating defendants

EXTERNAL AGENCIES

Programs and Services

The budget recommendations presented on the following pages contain two categories. The first is Community Non-Profit External Agencies Funding which is made up of: Arts, Cultural Assets, & Parks Fund; Community Services; Community Development Block Grant (CDBG); Emergency Solutions Grant (ESG); Housing Opportunities for Persons with AIDS (HOPWA); and Ministries. The second category is Department External Agency Funding for allocations which are contained in various Louisville Metro agency budgets (Louisville Forward, Community Services, Parks & Recreation and Public Health & Wellness).

A process developed in 2003 allows for the evaluation of requests from non-profit agencies for Louisville Metro tax dollars in a fair, consistent and accountable manner. This process consists of a panel for the two funds listed above. Each panel is composed of three representatives appointed by the Mayor and three representatives appointed by the Metro Council President. At least one appointee from both the Mayor and the Metro Council President should be a non- Louisville Metro employee. Clear, written policies and procedures outline specific requirements for qualification, training, monitoring, financial reporting, and reporting of program effectiveness.

**LOUISVILLE METRO
CAPITAL BUDGET OVERVIEW
FISCAL YEAR 2016-2017**

Budgeting and Amending Procedures

Capital projects have a useful life of more than one year and are for purchases greater than \$5,000. Capital projects spanning several years can be funded all at once or in phased increments; unlike the operating budget, unexpended funds do not lapse at the end of each fiscal year. Amending a capital project budget requires legislative action if any of the following is changing:

- Administering Department
- Overall Scope or Title of Project
- Fund Source
- Amount of Capital Fund is Increasing More Than 10%

Project Types & Fund Sources

Project types include equipment purchases, land acquisition, construction, technology infrastructure, right-of-way access, grants, renovations/rehabilitations that extend useful life, and more.

Fund sources include: Capital Cumulative Reserve Fund including Capital Infrastructure Fund (Council); Agency Receipts; State; Federal; Municipal Aid Program; County Road Aid Program; Forfeiture Funds (State and Federal); Community Development Block Grant (CDBG); General Obligation Notes; and Bonds. Funds are appropriated based on funding availability, allocations from outside sources, and applications/awards for grants, known donations, and fund source eligibility.

Financial Impact on Operating Budgets

Many capital projects have an impact on the operating budget for an agency, which can be increased operating costs or cost savings. The most common example is debt service expense related to debt issued to finance capital projects. Other examples include operating costs generated when the city opens a new facility. This can include new staffing, utilities, maintenance and other recurring cost. New technology infrastructure can also add recurring costs such as annual licensing and maintenance contracts. In contrast, savings may be realized by investing in upgrading equipment to yield energy savings, selecting replacement systems that may not require service contracts, enhancing efficiency, etc. The potential operating impact of each project is reviewed and quantified as part of the selection review process. Below are projects that have been identified as creating an opportunity to enable operating efficiencies and/or savings within Louisville Metro Government:

- | | |
|-------------------------------------|-----------------------------------|
| • Federal Forfeiture Funds Projects | • Tax Collection System |
| • Justice Assistance Grant | • Facilities Deferred Maintenance |
| • State Forfeiture Funds Projects | |

Below are projects that have been identified as having a future anticipated operating cost associated with their completion. This includes items such as additional staff, development and implementation of new or enhanced programs, or management of new services:

- Northeast Regional Library
- Increased investment in street infrastructure such as paving, sidewalk repair, bicycle lanes, etc.
- CRM & Work Order Management

CAPITAL BUDGET OVERVIEW
FISCAL YEAR 2016-2017**

Future Funding

Projects that are being requested as part of a phased approach, requiring future appropriations to continue subsequent phases include:

- Northeast Regional Library: capital funds to complete construction and operating funds
- Paristown Pointe: capital funds for years three (FY18) and four (FY19)
- Comprehensive Plan: capital funds for year three (FY18) to complete the plan by the required deadline
- Botanical Garden Sidewalk Design: capital funds to complete construction
- Oak Street Corridor Final Design: capital funds to implement the streetscape design
- Tax Collection System: capital funds needed to complete the project based on proposals received through the competitive bidding process
- Hall of Justice Capital Improvements: capital funds to complete construction
- Enhanced Network Infrastructure & Cybersecurity Phase II: capital funds needed for this project total \$1.475 million, of which \$640 thousand is requested in FY17
