Subject: FW: SoBro Art Project Funding Request

Hi Wanda,

As I mentioned on the phone, we have set a new date for the SoBro Artwalls project – painting a mural on the building at the corner of 2nd and Kentucky Streets. The event will be held on Saturday, June 11th.

Since the SoBro Neighborhood Association is still working on it's 501(c)3 status, we decided to transfer the funds to the Office of Sustainability's account: 1101-506-3320-333003-521346 (Other Project Expenditures). Please let me know if you need anything else.

Kind regards,
Andrea

Hi again Wanda,

I thought it would be useful for me to update you on our progress since we sent the email. Luckett and Farley hosted a charrette for the Kentucky School of Art and Design (KyCAD) students. This is the mural that was selected. The students will outline the mural, and the community will paint it (with the students' and art professors' assistance). We'd like to use funding from Councilman James to:

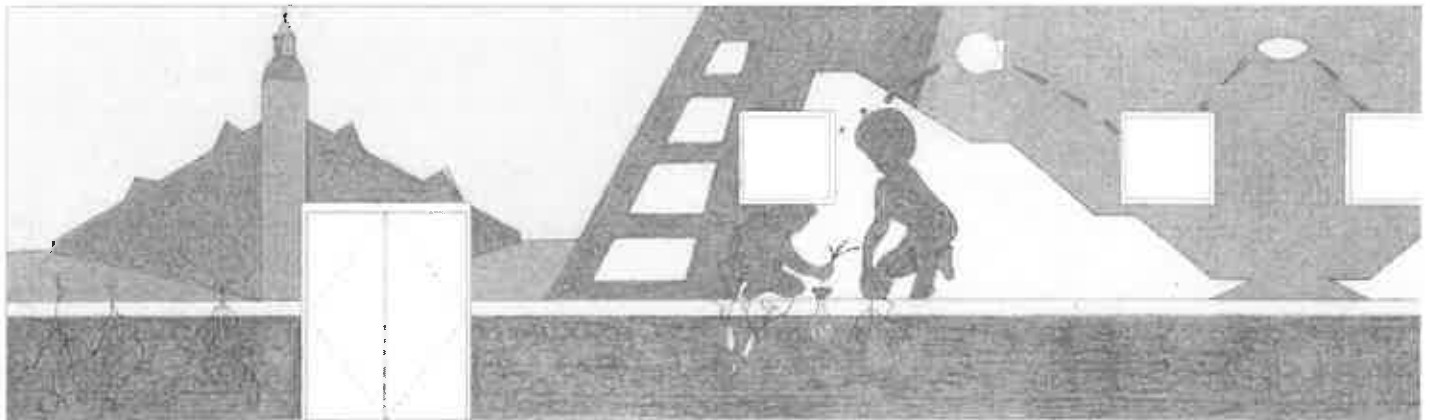

- Provide a small stipend to the students for their work;

- Pay for the barriers to shut down the street;
- Offer a small stipend to ARTxFM for providing music; and
- Off-set the cost of the paint.

The Radio Station ARTxFM is moving to SoBro mid-November. They mentioned that Councilman James supported their presence at SpringFest, so he should be familiar with them. It's a perfect fit for the event, given their art focus.

Thanks in advance for any help you can provide!

Andrea

Dear Councilman James,

The Office of Sustainability and Advanced Planning have continued working with the SoBro Neighborhood Association to instigate neighborhood improvement projects since the EcoDistrict convening in May 2014. We held the SoBro Artwalks (the crosswalk painting event) in September 2014, we crowd-source fundraised for an artistic bus shelter to be installed at 4th and Kentucky (installation should take place next month), and now we're interested in rethinking the corner of 2nd Street and Kentucky.

We are planning a fall beautification event that will include tree plantings and a mural project. We would like to ask you to support the event with a small financial contribution that would be used to help hire an artist to design and coordinate the mural work and to pay for paint and the street closure barricades. At this time, the following donations have been committed:

- The Division of Community Forestry (a new department under the Office of Sustainability) has agreed to purchase and maintain ~20 trees (\$6,000 value) (neighborhood volunteers will plant the trees)

- Spalding donated the wall of the old woodworking building on the corner of 2nd and Kentucky to serve as the canvas for the art project
- Luckett & Farley is donating staff time to plan the event and the design and construction of a large SoBro logo stencil to be used in the art project

We're hoping you can provide a 50% match (\$3,000) to the Office of Sustainability's contributions. Also, would you know any artists who might be interested in this type of work? We'd love to involve someone that you are working with already. Please let me know your thoughts!

Thanks!

Maria
