## LAND SURVEYOR'S CERTIFICATE

I hereby certify that this survey as depicted hereon was performed under my supervision and was conducted under the standards for survey as defined under KAR 201-18:150 and is a Urban/Rural Class Survey, with an unadjusted closure of 1 part in 32,500 This Survey was performed using random traverse method and has been adjusted using least squares method of closure. Unless need otherwise, the survey monuments which have been set for this survey are 1/2 inch iron pins at a length of 18 inches with an identification cap stamped with the Professional Land Surveyor # 2747. The bearings as shown or this plat have been rotated to agree Kentucky State Plane, Grid North, NAD83 S, 80'47'59" E along the south line of Cedar Street..

C. Bruce Shook, PLS 2747 1/6

s 47'32'39" w

This property is not in a flood hazard area (ZONE X). This determination has been made by a personal review of flood map 21111C0025E dated 12-05-06.

A title examination may reveal roads and easements of record not shown hereon.

Note: Alleys to be closed and consolidated with surrounding properties into a single parcel.
