To Whom It May Concern:

We are seeking a permit for outdoor alcohol use and consumption in a restaurant. We are opening a full service restaurant in Landis Lakes TowneCenter with a seating capacity of 165.

The outdoor patio area is measured at 718 square feet and will contain approximately 30 seats. The patio shall have a designated boundary measuring 3 feet in height and will allow public right-of-way. The outdoor area is wired for music that will play a Time Warner Cable contemporary music channel. The outdoor speakers are wired separately from the indoor speakers and are adjustable in volume. The music shall be in compliance with the Metro Noise Ordinance.

The nearest residence is 94 feet from the closest patio table.

The hours of operation are as follows, Monday-Thursday 11:00am-10:00pm, Friday and Saturday, 11:00am-11:00pm, Sunday 9:00am-10:00pm. We are scheduled to open in August, 2016.
