Q: Is the parking lot available to customers of the Central Beer Depot as well?

A: No. There will most likely be signage stating that the lot is for the use of the rental store customers only.

Q: Could the lot be chained or gated off hours?

A: We will certainly look into that possibility and meet with Public Works and Transportation to discuss.

Q: Does the Central Beer Depot have the same owner?

A: No. Despite being connected, the Beer Depot is located on a separate parcel with different ownership.

Mr. Lattig thanked everyone for coming and the meeting was dissolved.
