

**A Catalyst for West
Louisville Development**

OneWest's Vision

A thick green curved line that starts on the left, rises to a peak, and then curves down to the right, spanning across the top of the slide.

Establish new pathways to private and public capital, in an effort to generate sustainable economic development and neighborhood revitalization in west Louisville, in partnership with community residents.

Our work to date

- Raised more than \$450,000 in private funding
- Assembled a Board of Directors representing two dozen of the city's leaders
- Engaged with hundreds of community members to ask for input
- Consulted experts on community development financing, historic preservation, vacant properties abatement, etc.
- Worked with UofL and Metro government on geocoding vacant and abandoned property data

What's next?

A thick green curved line that starts on the left, rises to a peak in the middle, and then curves down to the right, spanning across the top half of the slide.

- Completion of a long-term strategic plan in partnership with the community
- Hiring of Executive Director and staff early next year

OneWest

Vacant & Abandoned Properties

- More than 4,500 VAPs in West Louisville
- Prevent predatory practices
 - Help owners keep their properties
 - Deal with vacant or abandoned properties that hurt values of neighboring owner-occupied homes
- Partner with groups to redevelop distressed properties

Community Conversations

A thick green curved line that starts on the left, rises to a peak, and then curves down to the right, separating the title from the event details.

Thursday, October 20

Friday, October 21

Saturday, October 22
