REQUEST

- **Amendment to Binding Element**

CASE SUMMARY

The applicant proposes to amend binding element #11 of docket 15129 to address contributions to the Blankenbaker Road Improvement Project. Binding Element #11 reads as follows:

Per the approved development plan dated April 4, 2016 and Transportation Planning requirements and standards, the applicant shall provide the following: a contribution of up to 13% of the construction costs (labor and materials) of improving Blankenbaker Road to provide 24' of total pavement width (minimum 1' widening) with 6-8 foot shoulders from Electron Drive to Plantside Drive. The contribution shall be made to Louisville Metro Public Works upon presentation of final costs incurred by Louisville Metro in the construction of the road improvements. There shall be no direct access from the subject property to Blankenbaker Road until the earlier of the above improvements being made or the granting of an encroachment permit by the appropriate permitting authority.

The applicant proposes to amend the binding element to read:

The property owner/developer shall pay \$35,000 to the City of Jeffersontown towards the Jeffersontown Blankenbaker Road Improvement Project. Access to Blankenbaker Road shall be approved upon the City of Jeffersontown attaining ownership of Blankenbaker Road and approval of construction plans, designed to the satisfaction of the City of Jeffersontown Public Works Department to allow an adequate turning radius for trucks onto Blankenbaker Road. Construction access may be approved separately.

No additional binding elements or changes to the approved development plan are being requested at this time.
