Total Acres: 0.075

Project Cost: ~\$25,000 PVA Assessed Value: \$115,830

Existing Square Feet: 5040 New Construction Square Feet: Height (ft.): Stories:

Project Description (use additional sheets if needed):

This request is for the non-emergency, code enforcement and nuisance abatement demolition of the structure located at 967 S 7th Street. This structure has been vacant since 2013 and code enforcement has inspected it over 70 times in the last 17 years. The property has been abandoned by the owners and has accumulated over \$22,000 in property maintenance fines and penalties. This structure is dilapidated and dangerous and was referred to the Office of Vacant & Public Property Administration for demolition on 2/8/17 per Chapter 156.807 of the Property Maintenance Code which states, "The Code Official shall order the owner of premises upon which is located any structure or part thereof, which in the Code Official's judgment is so old, dilapidated or has become so out of repair as to be dangerous, unsafe, unsanitary or otherwise unfit for human habitation or occupancy, and to demolish and remove such structure or part thereof."

Building Inspector Allen Porter inspected this structure on 2/23/17 and found it to be in severe disrepair. The wall, floor, and roof assemblies, as well as the brick foundation, are extremely deteriorated. The structure has been struck by a vehicle numerous times over the last several years causing damage to the southwest corner. The structure is also leaning to the north, a sign of significant structural failure. His assessment is that this building is structurally unsalvageable.

We do not make this request lightly, however this property has been allowed to fall into such disrepair that it has become a danger to the public and is a significant nuisance to surrounding residents

Certification Statement: A certification statement **must be submitted** with any application in which the owner(s) of the subject property is (are) a limited liability company, corporation, partnership, association, trustee, etc., or if someone other than the owner(s) of record sign(s) the application.

I, _____, in my capacity as _____, hereby
representative/authorized agent/other

certify that _____ is (are) the owner(s) of the property which
name of LLC / corporation / partnership / association / etc.

is the subject of this application and that I am authorized to sign this application on behalf of the owner(s).

Signature: _____ Date: _____

I understand that knowingly providing false information on this application may result in any action taken hereon being declared null and void. I further understand that pursuant to KRS 523.010, et seq. knowingly making a material false statement, or otherwise providing false information with the intent to mislead a public servant in the performance of his/her duty is punishable as a Class B misdemeanor.

17 COA 1092

Please submit the completed application along with the following items:

Project information

- ☐ Land Development Report¹
- ☐ Current photographs showing building front, specific project area, and surrounding buildings
- ☐ Pictures, samples, brochures, or other technical data describing materials, such as windows, doors, roofing, fencing, etc. to be used in the renovation or replacement
- ☐ One map of the project area and surrounding properties (may be obtained from <http://www.lojic.org/> using the *LOJIC Online Map*)

Site plan (see site plan example on next page)

- ☐ Two sets of site plans *drawn to scale* with dimensions, as applies to the project, indicating property lines, structures, landscaping, fencing, and parking
- ☐ Two copies of floor plans *drawn to scale* with dimensions and each room labeled
- ☐ Two copies of elevation drawings (a drawing showing exterior walls) *drawn to scale* with dimensions. For fencing, only photos/drawings of the proposed fence are required.

Committee Review Only

Committee reviews may be required due to the complexity of the case. The necessity of these items will be determined by staff upon review. Projects requiring committee level review include construction of new buildings, demolition, and projects that vary widely from design guidelines.

- ☐ Two sets of 11"x17" format site plans drawn to scale with dimensions
- ☐ Two sets of 11"x17" elevation drawings to scale with dimensions
- ☐ Two sets of 11"x17" landscaping drawings to scale with dimensions
- ☐ One set of mailing label sheets for: 1st tier Adjoining Property Owners (APOs)³, owners, applicants, contacts, and Case Manager. Applicant is responsible for mailing.
- ☐ One copy of the mailing label sheets

Submittal Instructions:

Applications are due on Fridays at 5:00 p.m. Once complete, please bring the application and supporting documentation to: Planning and Design Services, located at 444 South 5th Street, Suite 300. For more information, call (502) 574-6230 or visit <http://www.louisvilleky.gov/PlanningDesign>.

Definitions:

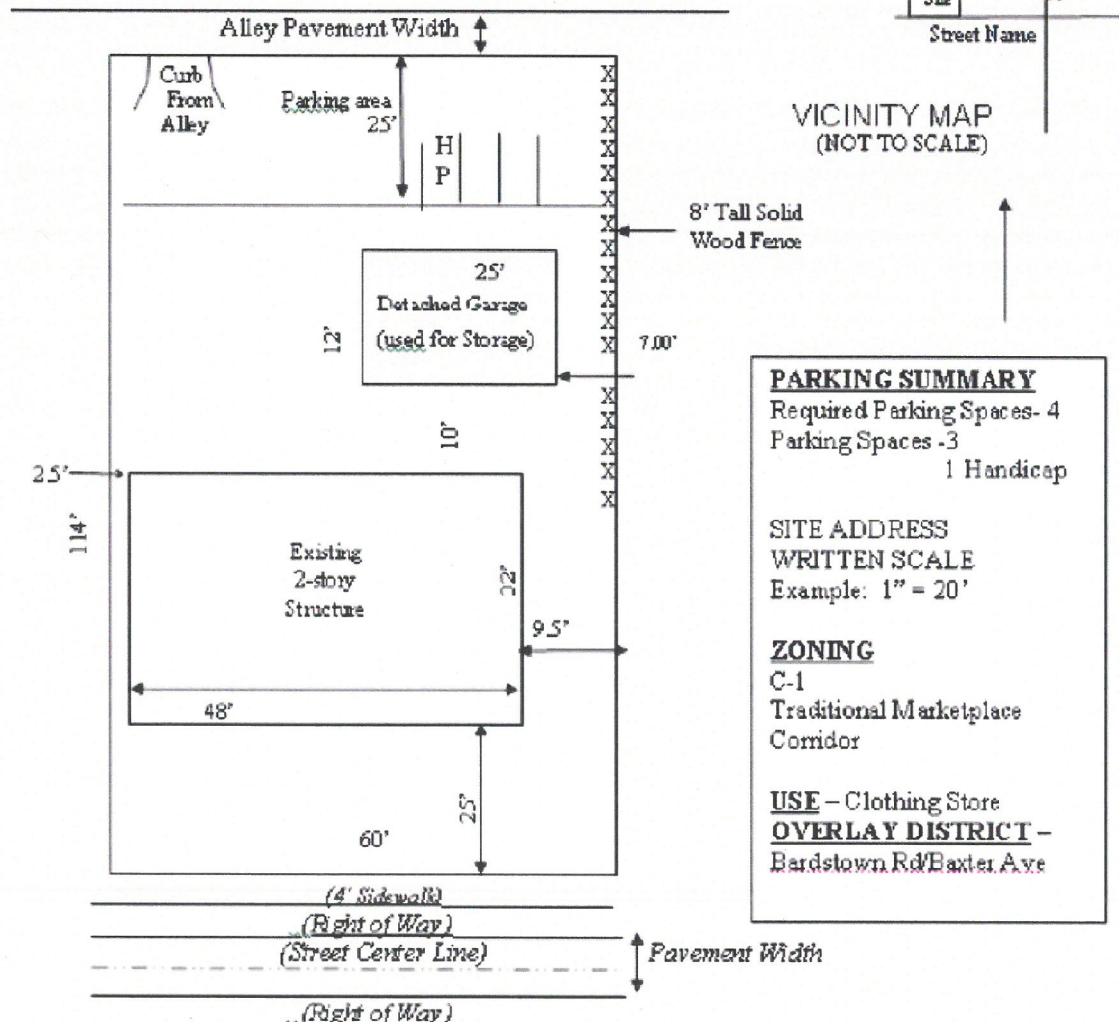

Certificate of Appropriateness: A project involving physical changes to the exterior of a building, structure, or property designated as a local landmark or located within a local preservation district shall require prior approval in the form of a Certificate of Appropriateness. An approval requires substantial conformance to design guidelines established for each landmark and district. The design guidelines, along with other information regarding local preservation districts, may be found at the website of the Landmarks and Preservation Districts Commission:

<http://www.louisvilleky.gov/PlanningDesign/Historic+Landmarks+and+Preservation+Districts+Commission.htm>

Overlay District Permit: A project involving physical changes to the exterior of a building, structure, or property within an overlay district shall require prior approval in the form of an Overlay Permit. An approval requires substantial conformance to design guidelines established for each overlay district. The design guidelines, along with other information regarding overlay districts, may be found at the following website:

<http://www.louisvilleky.gov/PlanningDesign/Overlay+Districts.htm>
