### **REQUEST**

Conditional Use Permit to allow short term rental of a dwelling unit that is not the primary residence of the owner in an R-6 Multi-Family Residential zone

### **CASE SUMMARY / BACKGROUND**

The applicant proposes to conduct a short-term rental of a dwelling unit at the subject property. As the applicant does not live on site, the short-term rental would be the sole use of the property and a Conditional Use Permit is required.

The site is located on the north side of Rufer Avenue at the intersection with Julia Avenue. PVA lists the structure as a single-family dwelling built in 1925. According to the applicant, the dwelling has two bedrooms. LDC regulations permit up to 8 guests.

LDC regulations credit the property frontage of approximately 40 ft with two on-street parking spaces. Two additional off-street parking spaces are available on the private driveway.

### **STAFF FINDINGS**

The applicant has provided the required documentation, has held a neighborhood meeting and has been informed of the standards and regulations specific to use of the dwelling unit for short term rentals.

Based upon the information in the staff report and the testimony and evidence provided at the public hearing, the Board of Zoning Adjustment must determine if the proposal meets the standards established in the LDC for a Conditional Use Permit.

### **TECHNICAL REVIEW**

There are no outstanding technical issues.
