SECTION 3 - AGENCY DETAILS

Describe Agency's Vision, Mission and Services:

YMCA of Greater Louisville Mission:

To Put Christian principles into practice through programs that build healthy spirit, mind and body for all

At the Y strengthening the community is our cause. We believe that lasting personal and social change can only come about when we all work together to invest in our kids, our health and our neighbors. Everyday, we work side-by-side with our neighbors to make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive. That's why we focus our work in three areas:

Youth Development - Nurturing the potential of every child and teen

Healthy Living - Improving the nation's health and well-being

Social Responsibility - Giving Back and providing support for our neighbors

Our Values:

Character Development gives us the ability to meet our mission by holding ourselves accountable and building character around our core values - Caring, Honesty, Respect, Responsibility - we build healthy spirit, mind and body for all.

Caring- to demonstrate a sincere concern for others, for their needs and well-being.

Honesty- to tell the truth, to demonstrate reliability and trustworthiness through actions that are keeping within my stated positions and beliefs.

Respect- to treat others as I would want them to treat me, to value the worth of every person, including myself.

Responsibility- to do what is right - what I ought to do, to be accountable for my choices of behavior and actions and my promises.

With the Y, you're not just a member of the facility; you're part of a cause. With a shared commitment to nurturing the potential of kids, improving health and well-being, and giving back and supporting our neighbors, involvement at the YMCA gives you and your community the opportunity to learn, grow and thrive. As a result, millions of youth, adults and families are receiving the support, guidance and resources needed to achieve greater health and well-being paid for their spirit, mind and body.

Independent Auditors' Report

To the Board of Directors Young Men's Christian Association of Greater Louisville, Inc. and Affiliate Louisville, Kentucky

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Young Men's Christian Association of Greater Louisville, Inc. (YMCA) and National Safe Place, Inc. (Affiliate) (not-for-profit organizations), which comprise the consolidated statements of financial position as of December 31, 2016 and 2015, and the related consolidated statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organizations' preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organizations' internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of the YMCA and Affiliate as of December 31, 2016 and 2015, and the consolidated changes in net assets and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating statements of financial position, consolidating statements of activities, and consolidating statements of functional expenses on pages 35-40 are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. The accompanying schedules of expenditures of federal awards on pages 41 and 42, as required by Title 2 U.S. Code of Federal Regulations(CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated June 2, 2017 on our consideration of the YMCA and Affiliate internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering YMCA and Affiliate's internal control over financial reporting and compliance.

YOUNG MEN'S CHRISTIAN ASSOCIATION OF GREATER LOUISVILLE, INC. AND AFFILIATE

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Note 1. Nature of Operations and Summary of Significant Accounting Policies

Nature of operations:

Young Men's Christian Association of Greater Louisville, Inc. (YMCA) is a not-for-profit, charitable organization dedicated to providing services that are based on Judeo-Christian principles and that bring together and enable all persons, regardless of race, religion, income, gender, or physical ability, to achieve their full potential in Spirit, Mind and Body. The YMCA exists to Strengthen the Foundations of Community through Youth Development, Healthy Living, and Social Responsibility. The organization is built on four core values – Honesty, Caring, Respect, and Responsibility and seeks to demonstrate the positive characteristics of being Welcoming, Nurturing, Genuine, Hopeful, and Determined. Within available resources, the YMCA provides services for any youth or adult who desires to participate, regardless of their ability to pay the established membership, class or program fees.

As of December 31, 2016, the YMCA operated twelve chartered branches throughout Jefferson, Bullitt, Meade, and Oldham counties in Kentucky, one branch in Clark County and one in Floyd County, Indiana plus one extension center as well as a School Age Child Care operational unit.

As of January 1, 2016, the YMCA of Greater Louisville and the YMCA of Southern Indiana merged their staffs, strengths, and services to meet the growing need across Kentuckiana, representing the growing concept of regionalism. The name of the merged entities was maintained as the YMCA of Greater Louisville, Inc. The YMCA has a history of meeting the changing needs of local communities. Collaboration is a key component of operations such that resources can be leverage to increase scale and impact.

National Safe Place, Inc. is a not-for-profit, charitable organization that is a wholly-owned subsidiary of the YMCA. National Safe Place, Inc. services teens in crisis and shelters nationally for runaway teens through the implementation of the Safe Place Program. Their primary activities include promotional efforts to help shelters seek local businesses to serve as a Safe Place location and as sponsors of the program, training of those business employees as volunteers in the Safe Place program, training shelter staff in understanding best practices in communicating the availability of the concept to teens both in and out of school systems, providing support services to shelters in expanding the local knowledge of the shelter services provided and helping secure accessibility to shelters by teens in crisis. National Safe Place has also undertaken the activity of providing training and technical assistance, through funding from a federal grant, to all federally funded runaway and homeless youth service programs across the United States and its territories. This training is in the form of national grantee meetings, technical assistance clinics, one day trainings, web based training and on-site training visits.

Summary of significant accounting policies:

This summary of significant accounting policies of YMCA and National Safe Place, Inc. is presented to assist in understanding the Organizations' consolidated financial statements. The consolidated financial statements are representations of the Organizations' management who is responsible for the integrity and objectivity of the consolidated financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the consolidated financial statements.

Principles of consolidation:

The accompanying consolidated financial statements, as of and for the years ended December 31, 2016 and 2015, include the accounts of the YMCA and National Safe Place, Inc. Consolidation is required based on the YMCA's majority voting interest in National Safe Place, Inc. All inter-company balances and transactions have been eliminated in the consolidation.

Use of estimates:

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and cash equivalents:

For purposes of the statements of cash flows, the YMCA and National Safe Place, Inc. considers undesignated cash and investments with original maturities of three months or less, to be cash and cash equivalents excluding those amounts held as part of the investment portfolio.

Restricted cash:

Restricted cash consists of funds received from the New Albany Redevelopment Commission and matching funds, which are restricted for the maintenance and repairs of the Southern Indiana aquatic facility. As of December 31, 2016, there was \$122,219 in restricted cash.

Inventories:

Inventories of merchandise are stated at the lower of cost or net realizable value, utilizing the first-in, first-out (FIFO) method.

Investments and credit risk:

Investments are stated at fair value as of the date of the consolidated statements of financial position, which is determined based upon the most recent quoted price of the security.

The YMCA has significant investments in equity securities held by an investment manager and is, therefore, subject to concentrations of credit risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect the financial condition of the Organizations. Investments are made by the investment manager and the investments are monitored by the Board of Directors. Though the fair value of investments is subject to fluctuations on a year-to-year basis, management believes the investment policy is prudent for the long-term welfare of the Organizations.

Property and equipment:

Property and equipment are stated at cost if purchased, or in the case of donated property and equipment, at fair value at the date of donation. The YMCA's policy is to capitalize expenditures greater than \$5,000 with an estimated life greater than one year. Depreciation is recorded on a straight-line method over the following estimated useful lives:

	Years
Buildings	10-40
Furniture and equipment	5-10
Vehicles	3-6
Leasehold improvements	. 3
Software	3

Designation of unrestricted net assets:

It is the policy of the Board of Directors of the Organizations to designate appropriate sums of unrestricted net assets for future maintenance and operations.

Advertising and promotion:

Advertising and promotion costs are expensed as incurred. Advertising and promotion costs for 2016 and 2015 were approximately \$1,050,000 and \$1,025,000, respectively.

Temporarily and permanently restricted net assets:

Temporarily restricted net assets are those whose uses by the YMCA and National Safe Place, Inc. have been limited by donors to a specific time period or purpose. When the donor restriction expires, or a purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statements of activities as net assets released from restriction. A donor restricted contribution is reported as an increase in unrestricted net assets if the restriction expires in the fiscal year in which the entire contribution is received.

Permanently restricted net assets have been restricted by donors to be maintained by the YMCA in perpetuity.

Donations other than cash:

Donations other than cash are recorded at their fair value as of the date of donation. Donated services must meet the specific expertise requirements and would normally have been purchased before they are recorded. Donations of long-lived assets with explicit restrictions that specify how the assets are to be used and donations of cash or other assets that must be used to acquire long-lived assets are reported as temporarily restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the YMCA reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Donated services are measured at their fair values as determined by management. During the year ended December 31, 2016 and 2015, the value of contributed services meeting the requirements for recognition totaled approximately \$64,000 and \$135,000, respectively and were recorded as a program expense, most of which consisted of marketing and consulting services.

Derivative financial instruments:

The YMCA makes limited use of derivative instruments for the purpose of managing interest rate risks. Interest rate swap agreements are used to convert the YMCA's floating rate long-term debt to a fixed rate (see Note 8). The differentials paid or received on interest rate swap agreements are accrued and recognized as adjustments to interest expense; gains and losses realized upon settlement of these agreements are deferred until the underlying hedged instrument is settled.

At December 31, 2016 and 2015, the YMCA's derivative financial instruments consisted of five interest rate swap agreements entered into with Republic Bank. The Republic Bank interest rate swap agreements are for the purpose of hedging against the risk of interest rate increases on certain variable rate bonds. These derivative financial instruments are recorded on the consolidated statements of financial position at their fair value. The fair value represented on the consolidated statements of financial position is the estimated settlement amount the YMCA would have to cancel the swap agreements. The difference between the floating rate and the swap rate is recognized as a component of interest expense on the consolidated statements of activities. If these interest rate swap agreements are held to maturity, as management intends to do, the cumulative effect of this recognized settlement on the change in net assets will be zero.

Compensated absences:

Compensated absences for sick pay time have not been accrued. The YMCA's policy is to recognize these costs when actually paid.

Income tax status:

The YMCA and National Safe Place, Inc. are exempt from federal, state and local income taxes as not-for-profit organizations as described under Internal Revenue Code Section 501(c)(3). The YMCA and National Safe Place, Inc. file informational tax returns in the U.S. federal jurisdiction and with the Kentucky Office of the Attorney General. However, income from certain activities not directly related to the YMCA and National Safe Place, Inc.'s tax-exempt purpose may be subject to taxation as unrelated business income.

As of December 31, 2016 and 2015, the YMCA and National Safe Place, Inc. did not have any accrued interest or penalties related to income tax liabilities, and no interest or penalties have been charged to operations for the years then ended.

Newly issued standards not yet effective:

Note 5. Investments and Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.
- Level 2 Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active or inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of an input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

All assets have been valued using a market approach. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2016 and 2015.

Common stocks - valued at the closing price reported on the active market on which the individual securities are traded.

Mutual funds - valued at the closing price reported on the active market on which the individual securities are traded.

Louisville Community Foundation - valued at net asset value of shares held by the fund at year end. The net asset value is used as a practical expedient.

Community Foundation of Southern Indiana – valued at net asset value of shares held by the fund at year end. The net asset value is used as a practical expedient.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organizations believe their valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth the level, within the fair value hierarchy, the Organizations' investments at fair value as of December 31, 2016 and 2015:

Note 6. Endowment Funds

The YMCA's endowment funds consist of investments and cash and cash equivalents held in various institutions investment accounts (see Note 5). These investments consist of board designated funds and permanently restricted funds. The board designated endowment funds are for funding the future operations of the YMCA. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The endowment net asset composition by type of fund and changes in endowment net assets as of and for the years ended December 31, 2016 and 2015 are as follows:

		2016

Interpretation of relevant laws:

The Board of Directors of the Organization has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the YMCA classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. In accordance with UPMIFA, the YMCA considers the following factors in making a determination to appropriate or accumulate donor restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purpose of the YMCA's and the donor restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the YMCA
- (7) The investment policies of the YMCA

Return objectives and risk parameters:

The YMCA has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor restricted funds that the YMCA must hold in perpetuity as well as board designated funds. Under this policy, the endowment assets are invested in a manner that is intended to produce results that are comparable to price and yield a total return in excess of the Barclays Intermediate Government/Corporate Index and S&P 500 Index. The YMCA expects its endowment funds, over time, to provide an average rate of return of approximately seven percent annually. Actual returns in any given year may vary from this amount.

Strategies employed for achieving objectives:

To satisfy long-term rate-of-return objectives, the YMCA relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The YMCA targets a diversified asset allocation.

Spending policy and how investment objectives relate to spending policy:

The YMCA has a policy of appropriating for distribution an amount each year as deemed necessary to support their mission. In establishing this policy, the YMCA has considered the long term expected return on its Endowment. Accordingly, over the long term, the YMCA expects the current spending policy to allow its Endowment to grow at a rate to cover the annually approved spending policy plus an amount that allows assets over time to keep pace with the long-term inflation rate. This is consistent with the YMCA's objective to maintain the purchasing power of the endowment assets held in perpetuity or for a specified term as well as to provide additional real growth through new gifts and investment returns.

The above interest rate swaps are considered derivative financial instruments and are classified as level 2 (fair value hierarchy as described in Note 5) and are included on the consolidated statements of financial position. The fair value represents the estimated settlement amounts the YMCA would have to cancel the swap agreements. The fair values of the derivatives have been estimated by a third party. The third party estimates are based upon models and forward rate assumptions in order to predict future cash flows on the floating side. The cash flows are then compared to the cash flows on the fixed side. The model then takes the net of the future payment amounts and uses the net present value to derive all values. Losses relating to their swap contracts totaled \$61,379 and \$219,070 for the years ended December 31, 2016 and 2015, respectively. The losses are included in interest expense and are reported in the consolidated statements of functional expenses.

As the YMCA makes its monthly installment payments, if the bank's rate is below the swap rate, then the YMCA pays the difference. If the bank's rate exceeds the swap rate, the YMCA is reimbursed from the bank. These arrangements effectively provide a fixed rate component of the total interest rate charged on these loans.

The future principal maturities of all debt are as follows:

Year ending December 31, 2017	\$ 1,134,450
2018	1,168,574
2019	1,203,310
2020	1,240,036

Note 9. Donated Land Held for Others

The YMCA entered into an agreement with Norton Commons, LLC in 2011 to receive 12.494 acres of land. As part of this agreement with Norton Commons, the YMCA agreed to provide the Board of Education of Jefferson County, Kentucky an exclusive and irrevocable option to receive 6.494 acres of the tract of land, until March 1, 2015. The Board of Education of Jefferson County exercised this option by providing written notice to the YMCA in 2015. As a result, the YMCA recorded the elimination of the real estate held for others (asset and offsetting liability) valued at \$3,261,554.

In February 2015, based on the final school architectural footprint, the YMCA donated an additional .956 acre of land valued at approximately \$480,000 to the Board of Education of Jefferson County restricted for the future construction of the school. This resulted in a reduction of assets and recording of a donation of land in the statement of activities for the year ended December 31, 2015.

Note 10. Capital Leases

The YMCA has several fitness equipment leases and one lease for computer equipment and software that have been classified as capital leases. The economic substance of the leases is that the YMCA is financing the acquisition of equipment through leases and, accordingly, the leases are recorded in the Company's assets and liabilities.

The future annual minimum lease payments and their net present value are as follows:

Year ending December 31, 2017	\$331,980

The majority of the permanent endowments have no specific use restrictions; therefore, the interest income from these assets is utilized for general operations of the YMCA. Gains and losses (net appreciation and depreciation) on permanent endowment fund investments will be recorded as an increase (decrease) in unrestricted board designated endowment net assets unless the donor has explicitly restricted the use of the net appreciation and depreciation.

Note 12. Construction in Progress

At December 31, 2016, the YMCA had expended approximately \$2,220,000 in planning and demolition costs for a new facility located in West Louisville. For the years ended December 31, 2016 and 2015, \$44,590 and \$42,200, respectively, of interest was capitalized for this project. Total costs for the project, are estimated to be approximately \$26 million and construction is anticipated to begin once potential new market tax credits are issued. The credits have been allocated to the project and closing is anticipated to be in 2017. The project will be financed through a combination of donations and other financing sources. The estimated completion period for finalizing plan design and construction is 18-24 months.

During 2014, the YMCA entered into a contract for the option to purchase a 14-acre tract of land in Hardin County, as a future site of a fitness facility. The YMCA has expended \$25,000 as a good faith deposit on the contract. The YMCA must obtain and fulfill certain contingencies to exercise its option to purchase the land. The seller must obtain an appraisal of the property. If the appraisal of the property indicates a fair market value of less than \$1.26 million, either party in the contract may elect to terminate the contract. If the property appraises for more than \$1.75 million, the purchase price of the property will be \$1.75 million, and the donation to the YMCA by the seller will be \$490,000 plus the excess over the \$1.75 million. If the property appraises for less than \$1.75 million, the amount of the donation shall be reduced proportionately. During 2016, the YMCA expended \$13,997 for feasibility assessment on another possible site location. Discussions with local volunteer leaders continue on this project.

During 2016, the YMCA had expended approximately \$390,000 for the expansion of the kid's club area, at the Norton Commons branch as of December 31, 2016. The project was completed in April 2017. Total project costs were approximately \$425,000.

Note 13. Memorandum of Agreement Commitment

As the result of a Memorandum of Agreement with the Board of Education for the Jefferson County Public School District (JCPS), the YMCA paid \$302,000 in 2016 and \$298,500 in 2015 to offset JCPS's expenses for hosting the Childcare Enrichment Program and to assure its continuation and expansion.

Note 14. Retirement Plan

The YMCA is a member of the National YMCA Retirement Fund, a separate corporation that administers the retirement plan. The plan is a co-contributory, defined contribution, individual account, money purchase retirement plan for the benefit of virtually all full-time and qualified part-time YMCA employees. The YMCA vesting periods are a two year waiting period and immediate vesting, qualified employee contributions are voluntary. The YMCA contributed 12% of the employee's compensation. The YMCA's contributions were \$1,539,597 for 2016 and \$1,244,169 for 2015.

Note 15. Concentration of Cash

The YMCA and National Safe Place, Inc. maintain cash balances at several financial institutions located in the Louisville, Kentucky area. Accounts at each institution are insured by the Federal Deposit Insurance Corporation up to \$250,000. At December 31, 2016, the YMCA and National Safe Place, Inc.'s uninsured cash balances totaled approximately \$19.9 million. Cash balances fluctuate based upon operating needs and the timing of deposit and check clearing activity. Management believes that these financial institutions are of sufficient size to provide financial security of uninsured balances and does not believe the Organizations are exposed to any significant credit risk.

Note 16. Operating Leases

In November 2004, the YMCA committed to a long-term lease for space located at the Middletown Plaza, 12330 Shelbyville Road, Middletown, Kentucky 40243. In September 2016, the lease term was extended through November 2017. The monthly lease payments are \$7,850.

In December 2001, the YMCA entered into a contract with Jefferson County Fiscal Court, whereby the YMCA operates a facility located in Berrytown Park as a YMCA branch. The land and building is owned by Jefferson County and will be leased to the YMCA for a term of three years at a cost of \$1 per year with three five-year renewal options. The YMCA supplied equipment and furnishings for this facility at an estimated cost of \$187,000. The lease agreement was effective November 1, 2002 and the second five-year renewal option was exercised on November 1, 2010. The lease matured in November 1, 2015. The building continued to be leased until March 31, 2016 at which time the lease was discontinued. The lease fair value of \$ \$34,000 and 136,000, respectively have been recorded in the consolidated statements of activities as occupancy expense for 2016 and 2015.

In January 2010, the YMCA committed to a five-year lease with Simons Publishing Company for land and building located at 409 Joe B. Hall Avenue, Shepherdsville, Kentucky 40165. The lease payments are \$1 per year. The facility is used for health, fitness and youth services. The lease fair value of \$147,000 has been recorded in the consolidated statements of activities as occupancy expense for 2016 and 2015. In January 2015, the YMCA renewed this lease for a five-year period, with no changes in the terms of the lease.

In February 1975, the YMCA committed to a 20 year lease with an option to extend the term of the lease for six five-year renewal options with the Louisville Water Company. The lease for the land located at the Southwest Branch is in its fifth renewal option period. The lease payments are \$100 per month with additional consideration to erect and maintain on the premise leasehold improvements. The Lessor may terminate the lease with a nine month written notice. In the event that the Lessor should reoccupy the entire leased premises the Lessor shall pay the Lessee a sum equal to the depreciated cost of the improvements surrendered. The fifth renewal option period for the lease began in February 2015. Effective August 2015, an amendment to the lease was entered into at which time the lease payments increased to \$1,000 per month, through March 2016. Subsequent to March 2016 the lease is under review with the Louisville Water Company and is on a month to month basis.

In February 1987, the YMCA committed to a fifty year lease with Metro Louisville Government, to operate Camp Piomingo. Camp Piomingo is located inside Otter Creek Outdoor Recreational Area, in Meade County Kentucky. Under the lease agreement, the YMCA is responsible for the maintenance of all buildings, swimming pools and structures on the property and the general maintenance of the grounds, utilities, and maintaining insurance. In 2011 the Park was acquired by the Commonwealth of Kentucky Fish and Wildlife Department. In May 2014, the YMCA committed to a 20-year lease with the Kentucky Fish and Wildlife Department with the option to extend the lease for an additional twenty-five years. The YMCA responsibilities indicated above continues to be in effect in the new lease with the Commonwealth of Kentucky Fish and Wildlife Department. Annual lease payments are \$6,000.

In January 2002, the YMCA committed to a 15-year lease with Jewish Hospital and St. Mary Elizabeth, Inc. for a 15,342 square feet facility located at 6801 Dixie Highway, Louisville, Kentucky to be utilized for health, fitness and youth services. Monthly lease payments were approximately \$21,000 for each of the years 2016 and 2015. The lease was terminated effective January 1, 2017.

The YMCA has committed to eight leases for fitness equipment to be used at various facilities. The leases start dates range from August 2014 through May 2016 and are over periods ranging from 24 to 37 months. The leases are structured as operating leases with monthly payments ranging from \$466 to \$27,441 per lease.

Following is the future minimum operating lease payments pertaining to the leases described above:

December 31,	2017	\$870,858
	2018	558,480
	2019	343,995
	2020	343,995
	2021	6,000

Note 17. Litigation

The YMCA is a defendant in litigation relating to five personal injury claims and one discrimination claim. While the final outcome cannot be determined at this time, management is of the opinion that the ultimate liability, if any, from the final resolution of these matters will not have a material effect on the Organizations' consolidated financial statements.

Note 18. Long-Term Grant for Runaway and Homeless Youth Program

National Safe Place, Inc. was awarded a five year grant from the U.S. Department of Health and Human Services in September 2012 not to exceed \$10.5 million to conduct the Runaway and Homeless Youth Training and Technical Assistance Center program. The grant will be payable to the Organization over a five year period of up to \$2.1 million a year. As part of the grant agreement National Safe Place, Inc. is required to provide 10% a year in non-federal matching contributions to the program. For the years ended December 31, 2016 and 2015, \$2,609,224 and \$2,150,675, respectively, were recognized in grant revenue.

Note 19. Partially Self-Funded Health Insurance Program

Effective September 1, 2013, the YMCA adopted a partially self-funded health insurance program for its employees' health care costs. Prior to this, the YMCA had a fully insured health care plan. Under the partially self-funded health insurance program, the YMCA is liable for losses up to a fixed dollar amount per covered participant per plan year of \$100,000 with any excess benefit claims being paid by the third-party insurance company under the contract up to a maximum aggregate stop loss limit of \$1,000,000 per participant. In June 2015, the Executive Committee with authority from the Board of Directors approved to accumulate a reserve for the health insurance program. As of December 31, 2016 and 2015, the board designated reserve totaled \$201,144 and \$151,144, respectively, and is included in board designated reserves on the statements of financial position. The liability for the partially self-funded health insurance program included in the accrued expenses was \$30,000 and \$50,000, respectively, at December 31, 2016 and 2015.

Note 20. Acquisition of YMCA of Southern Indiana

The Board members of the YMCA approved an acquisition of the YMCA of Southern Indiana on November 23, 2015. The agreement of acquisition and plan of acquisition documents were signed by both Organizations' boards in December 2015. The acquisition was effective January 1, 2016. Through this acquisition, YMCA seeks to further its mission by increasing services to their members throughout the Louisville Metro and Southern Indiana community.

As part of the acquisition, YMCA received the following which was reported on the statement of financial position as of January 1, 2016:

Note 22. Subsequent Events

The YMCA of Greater Louisville's new facility project, Health Equity Partners, has received an allocation from five different Community Development Entities to support the New Market Tax Credit financing strategy toward the construction of a YMCA in West Louisville (see Note 12). A non-profit entity, QualicB, was formed and will be named Health Equity Partner Properties, Inc. (HEPP). The Board of Directors will be composed of five individuals, two of which are independent of the YMCA. HEPP will receive the allocations from the sub Community Development Entities (CDE's) and the leverage lending will be provided by the YMCA to fund the construction of the 60,000 sq. ft. facility. Partners involved in the project will include Norton Healthcare, ProRehab, Family and Children's Pace, and Republic Bank. HEPP will exist for seven years, while the tax credits are recaptured by Capital One, who will be the equity partner for the process.

Due to changes in management and operations of Simon Publishing Company, the company has agreed to donate the Bullitt County land and building to the YMCA earlier than required by the existing agreement. This transaction is expected to be completed in the summer of 2017.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

Note 1. Basis of Presentation

The accompanying schedule of expenditures of federal awards (the "Schedule") include the federal grant activity of YMCA of Greater Louisville, Inc. (YMCA) and National Safe Place, Inc. (Affiliate) under programs of the federal government for the years ended December 31, 2016 and 2015. The information in the schedule is presented in accordance with the requirements of Title 2 U.S. Code of federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the schedule presents only a selected portion of the operations of YMCA and Affiliate, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the YMCA and Affiliate.

Note 2. Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Note 3. Indirect Cost Rate

The YMCA and Affiliate have elected not to use the 10-percent *de minimis* indirect cost rate allowed under the Uniform Guidance.

Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

To the Board of Directors Young Men's Christian Association of Greater Louisville, Inc. and Affiliate Louisville, Kentucky

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Young Men's Christian Association of Greater Louisville, Inc. (YMCA) and National Safe Place, Inc. (Affiliate) (not-for-profit organizations), which comprise the consolidated statement of financial position as of December 31, 2016, and the related consolidated statements of activities, and cash flows for the year then ended, and the related consolidated notes to the financial statements, and have issued our report thereon dated June 2, 2017.

Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered YMCA and Affiliate's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the YMCA and Affiliate's internal control. Accordingly, we do not express an opinion on the effectiveness of the YMCA and Affiliate's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the YMCA and Affiliate's consolidated financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditors' Report on Compliance for Each Major Program and on Internal Control Over Compliance Required by Uniform Guidance

The Board of Directors
Young Men's Christian Association of
Greater Louisville, Inc. and Affiliate
Louisville, Kentucky

Report on Compliance for Each Major Federal Program

We have audited Young Men's Christian Association of Greater Louisville, Inc.'s (YMCA) and National Safe Place, Inc.'s (Affiliate) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of YMCA and Affiliate's major federal programs for the year ended December 31, 2016. YMCA and Affiliate's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of YMCA and Affiliate's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and audit requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about YMCA and Affiliate's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination for YMCA and Affiliate's compliance.

Opinion on Each Major Federal Program

In our opinion, YMCA and Affiliate complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2016.

Report on Internal Control Over Compliance

Management of YMCA of Greater Louisville, Inc. and Affiliate is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered YMCA and Affiliate's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of YMCA and Affiliate's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the result of that testing based on the requirements of Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
