SECTION 3 – AGENCY DETAILS

Describe Agency's Vision, Mission and Services:

The Jeff Street Baptist Community at Liberty is an urban Baptist congregation whose stated purpose is to love God and others. The church has provided homeless services in the Phoenix Hill neighborhood since the late 1890s when we were founded as the Union Gospel Mission. We have offered a Hospitality Program for homeless adults on weekday mornings since 1984, and have founded several successful housing programs, including Choices, Inc. for homeless women and children, Habitat for Humanity of Metro Louisville, and the Phoenix Project (forerunner of the housing programs now offered by the Louisville Rescue Mission, where our congregation was formerly housed.) In addition to the Hospitality Program, the congregation hosts a Sunday Welcome Table meal for homeless adults, and a monthly Urban Goatwalker Coffeehouse, which is a creative outlet for a diversity of people, many of whom are homeless.

The Hospitality Program has received CDBG funding for seven years, ESG funding for two years, and City funding through Essential Services for twelve years prior to this. We passed a Louisville Metro Department of Community Services and Revitalization desk-review monitoring and site visit program year 2016 with no concerns or findings, and with commendations for providing a welcoming environment with services that were valued by a population that is difficult to serve (those homeless persons who sleep out) and for connecting these clients to Cornerstone and Phoenix Health Center.

The Hospitality Program participates with the Coalition for the Homeless in maintaining Quality Assurance Standards, and kitchen staff receive certification from the Board of Health.

SECTION 5 - PROGRAM/PROJECT NARRATIVE A: Describe the program/project start and end dates, a description of the program/project and applicable data with regards to specific client population the program will address (attach related flyers, planning minutes, designs, event permits, proposals for services/goods, etc.): The At Liberty Hospitality Program provides a safe environment and nutritious breakfasts to approximately sixty homeless men and women each weekday morning, year round. We usually serve around 700 homeless persons per year. This past fiscal year, ending June 30, 2017, the number of our guests increased to 932. We offer our guests a clean, cheerful room with a bottomless pot of coffee, nutritious meals, newspapers and books to read, a phone, and good conversation. Operating hours are 7:00 - 10:00 a.m. Most of our guests are chronically homeless. Amost half of them report that they sleep out at night, which means that these men and women, who are on the margins of even the homeless population, are extremely vulnerable. They face serious weather and safety issues, and many of them are mentally ill, causing them to shy away from homeless providers who could help them to find housing and other services. For many of our guests, our program is their first and sometimes only point of engagement with the homeless provider system. In addition to meeting their immediate need for shelter and food, we also work with visiting agencies to provide medical care, mental health services, and casework. B: Describe specifically how the funding will be spent including identification of funding to sub grantee(s): The requested funding will be used for utilities. Funding for gas and electricity costs will enable us to provide a comfortable climate-controlled environment year-round for our guests, and a functional kitchen in which to prepare nutritious meals. Funding for our water costs enables us to provide the use of three bathrooms, which are in constant use during our program hours. Funding for telephone costs allow us to have a phone-line available for our guests' use.

C: If this request is a fundraiser, please detail how the proceeds will be spent:	_
Not Applicable.	
D: For Expenditure Reimbursement Only – The grant award period begins with the Metro Council approval date	-
and ends on June 30 of Metro fiscal year in which the grant is approved. If any part of this funding request is for	
funds to be spent before the grant award period, identify the applicable circumstances:	
The funding request is a reimbursement of the following expenditures that will probably be incurred after the application date, but prior to the execution of the grant agreement:	
✓ If selecting this option, the invoice, receipt and payment documentation should not be available as of the date of this application.	-
The Grantee will be required to submit financial reporting in accordance with the reporting schedule provided in the grant agreement.	100000
	-
Reimbursements should not be made before application date unless an emergency can be demonstrated by the primary council sponsor. The funding request is a reimbursement of the following expenditures (attach invoices or proof of payment):	
✓ Attach a copy of invoices and/or receipts to provide proof of purchase of activities associated with the work plan	
 identified in this application. Attach a copy of cancelled checks to provide proof of payment of the invoices or receipts associated with the work plan identified in this application. 	

E: Describe the program's benefits to those being served (measurable outcomes). Include the program's process for collecting data and the indicators that will be tracked to measure the benefits to those being served:

Each year for the past 5 or more years, the At Liberty Hospitality Program has served approximately 700 homeless men and women. This past fiscal year, ending June 30, 2017, we provided services to 932 unduplicated person with the following outcomes: A Mental Health Outreach Worker from Seven Counties Services provides mental health and housing assistance at our site. The Outreach Worker met through the fiscal year with 67 (7%) of our clients to work on Housing and Mental Health Stabilization. Despite working with the most vulnerable population, our staff and visiting agencies were able to assist 32 clients (3%) with securing permanent housing, and 17 clients (2%) with stabilizing their mental health. We also host a visiting doctor and caseworker from Phoenix Health Care who are able, through us, to connect with individuals to whom they would otherwise not have access. Our goal is that 16% of our clients will receive health services. This fiscal year 211 (23%) of our clients saw the doctor and the medical caseworker. The Alcohol/Drug Support group that meets twice a week (provided by the Phoenix Health Center Staff) involves an average of 7 clients each day. 100% of our clients are provided with a nutritious breakfast, coffee, and access to telephones and bathrooms on a daily basis. We also provided personal care items, clothing items, and referrals to other services such as assistance with i.d. cards and applications to our clients. The success of the At Liberty Hospitality Program lies in our ability to connect the most vulnerable persons within the homeless population to services that will eventually allow them to move out of homelessness. We are the first point of contact for many in the homeless population that do not stay in the shelters and are not comfortable with or connected to traditional social service agencies.

We collect our data through HMIS (Homeless Management Information System). Each guest fills out an HMIS form, and our Administrative Assistant, Cindy Brown Kinloch, enters it in the computer. In addition, we ask our guests to fill and a minimum area a man to analysta the affectiveness of any necessary

F: Briefly describe any existing collaborative relationships the organization has with other community organizations. Describe what those partners are bringing to the relationship in general and to this program/project specifically.

The Phoenix Health Center's Outreach Team visits our program weekly, offering on-the-spot check-ups, flu shots, and medical advice. In partnership with the Phoenix Health Care, we started an o-site chemical dependency support group that meets twice a week. A Cornerstone Homeless Outreach Team member visits bi-weekly, offering case management services to guests who are mentally ill. We work closely with Choices, Inc. whose offices were previously housed in our building, and have successfully referred a number of women to them for housing. Groups from several local churches and our own church, an average of 15 volunteers a month, provide meals to our Hospitality Program guests on a regular basis. A number of other church groups provide personal care items, clothing, and other donations. The Louisville Presbyterian Theological Seminary provides a student intern who spends several hours each week helping to staff our program. Students from Berea and Centre College help staff the Urban Goatwalker Coffeehouse, and eight other churches provide volunteers for our weekly Welcome Table meal.

Dear Applicant:

......

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in sections 509(a)(1) and 170(b)(1)(A)(i).

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. In the case of an amendment to your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. This does not apply, however, if you make or have made a timely election under section 3121(N) of the Code to be exempt from such tax. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Contribution deductions are allowable to donors only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fundraising events may not necessarily qualify as deductible contributions, depending on the circumstances. See Revenue Ruling 67-246, published in Cumulative Bulletin 1967-2, on page 104, which sets forth guidelines regarding the deductibility, as charitable contributions, of payments made by taxpayers for admission to or other participation in fundraising activities for charity.
