

Branden Klayko Alley

17Streets1021

Branden Klayko

"Branden was a thoughtful, intelligent writer who challenged us to make the city better. He loved his hometown but saw ways it could be improved, and his writing went beyond criticism to offering specific ideas for improvement. His voice, his ideas and his vision will live beyond the short time he was with us."

- Mayor Greg Fischer

Branden Klayko Alley - Proposed Location
