REQUEST

Conditional Use Permit to allow short term rental of a dwelling unit that is not the primary residence of the owner in an R-5 Single-Family Residential zone

CASE SUMMARY / BACKGROUND

The applicant proposes to conduct a short-term rental of a dwelling unit at the subject property. As the owner/applicant lives off site, the short-term rental would be the sole use of the property. A Conditional Use Permit is required.

The site is located on the east side of Stevens Avenue between Bardstown Road and Fernwood Avenue, bordered by alleys to the north and east. PVA lists the site as developed with a single-family one-story dwelling built in 1905. According to the applicant, the dwelling unit has two bedrooms; LDC regulations permit 12 guests. It is adjoined by R-5 single-family residential uses in a Traditional Neighborhood form district, and C-2 commercial uses in a Traditional Marketplace Corridor form district.

The 24 ft frontage can accommodate one vehicle; two additional parking spaces are located at the rear of the property accessible via the rear alley.

STAFF FINDINGS

The applicant has provided the required documentation, has held a neighborhood meeting and has been informed of the standards and regulations specific to use of the dwelling unit for short term rentals.

Based upon the information in the staff report and the testimony and evidence provided at the public hearing, the Board of Zoning Adjustment must determine if the proposal meets the standards established in the LDC for a Conditional Use Permit.

TECHNICAL REVIEW

There are no outstanding technical issues.
