Dear Sir or Madam:

This letter is in response to your request for affirmation of your organization's exempt status.

In July, 1983 we issued a determination letter that recognized your organization as exempt from federal income tax under section 501(c)(4) of the Internal Revenue Code. That letter is still in effect.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of $200 or more paid to each employee during a calendar year. Your organization is also liable for tax under the Federal Unemployment Tax Act for each employee to whom it pays $50 or more during a calendar quarter if, during the current or preceding calendar year, the organization had one or more employees at any time in each of 20 calendar weeks or it paid wages of $1,500 or more in any calendar quarter.

If your organization's character, method of operation, or purposes change, please let us know so we can consider the effect of the change on the organization's exempt status. Also, your organization should inform us of all changes in its name or address.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, if its gross receipts each year are normally more than $25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of $20 a day, up to a maximum of $10,000, when a return is filed late, unless there is reasonable cause for the delay.

Because your organization is not one described in section 170(c) of the Code, donors may not deduct contributions made to it. You should advise your organization's contributors to that effect.

Your organization is not required to file federal income tax returns unless it is subject to the tax on unrelated business income under section 511 of the Internal Revenue Code. If your organization is subject to this tax, it must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your organization's activities are unrelated trade or business as defined in Code section 513.

Kentuckians for the Commonwealth, Inc.
[redacted]

As this letter could help resolve any questions about your organization's exempt status, you should keep it with your organization's permanent records.

Please direct any questions to the person identified in the heading of this letter.

This letter affirms the exempt status of your organization.

Sincerely,

C. Ashley Bullard

C. Ashley Bullard
District Director

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. The IRS has created a page on IRS.gov for information about Form W-9, at *www.irs.gov/w9*. Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

Independent Auditors' Report

To the Steering Committee
Kentuckians for the Commonwealth, Inc.,
Kentucky Coalition, Inc. and New Power PAC
London, Kentucky

We have audited the accompanying combined financial statements of Kentuckians for the Commonwealth, Inc. (a non-profit organization), Kentucky Coalition, Inc. (a non-profit organization) and the New Power Political Action Committee which comprise the combined statements of financial position as of December 31, 2015 and 2014, and the related combined statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these combined financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the combined financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the combined financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the combined financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinion

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of the Kentuckians for the Commonwealth, Inc., the Kentucky Coalition, Inc., and the New Power Political Action Committee as of December 31, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Note 1 - Nature of Activities and Significant Accounting Policies (Continued)

Investment Securities

Investments in marketable equity and debt securities with readily determinable fair values are carried at fair values based on quoted prices in active markets in the Statement of Financial Position. Unrealized gains and losses are included in the change in net assets in the accompanying Statement of Activities.

Investment income, which consists of interest and dividend income earned, realized gains or losses and unrealized appreciation (depreciation) on those investments, is included in the Statement of Activities as "support and revenue".

Property and Equipment

Property and equipment are recorded at cost or at estimated value at the date of gift if donated. Depreciation is computed on a straight-line basis over estimated useful lives of 3 to 40 years. Currently, the Organizations do not have any donated assets. See note 8 for additional details.

The Organization will not capitalize amounts meeting the following criteria:

1) Amounts paid to acquire, produce, or improve tangible property not exceeding $2,500 are charged to the appropriate de minimis expense accounts. This threshold is applied at the per item or per invoice level and must include any allocable expense included on the invoice, e.g. taxes, transpiration, etc., or

2) Amounts paid to acquire, produce, or improve tangible property with an economic useful life of 12 months or less are charged to the appropriate de minimis expense accounts.

This policy does not apply to land, inventory or certain rotable, temporary, emergency spare parts.

Accrued Leave

Accrued leave represents the cost of unused employee vacation, sick, and sabbatical time accumulated by the employee for which payment is probable.

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. The Organizations received no permanently restricted support during 2015 or 2014.

Public Support and Revenue

Grants and other contributions of cash and other assets are reported as temporarily restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized.

Note 1 - Nature of Activities and Significant Accounting Policies (Continued)

Based on the evaluations of the Organizations' tax positions, management believes all positions taken would be upheld under an examination. Therefore, no provision for the effects of uncertain tax positions has been recorded for the years ended December 31, 2015 and 2014.

Note 2 – Concentration of Credit Risk

At times throughout the year, the Organizations may have cash in financial institutions in excess of insured limits. The Federal Deposit Insurance Corporation (FDIC) insures account balances in interest bearing and non-interest bearing accounts up to $250,000 for each depositor. Using this criterion, the Organizations had cash in excess of insured limits of $272,459 and $9,854 as of December 31, 2015 and 2014, respectively.

One grantor accounted for approximately 93% and 95% of the Organizations' grants receivable at December 31, 2015 and 2014, respectively. Five grantors accounted for approximately 44% of the Organizations' grant revenue for the year ended December 31, 2015. Four grantors accounted for approximately 55% of the Organizations' grant revenue for the year ended December 31, 2014.

Note 3 - Investments

As of December 31, 2015 and 2014 investments were composed as follows:

	Cost		Fair Market Value		Unrealized Gain (Loss)	
	2015	2014	2015	2014	2015	2014
Mutual Funds	$ 60,219	$ 105,596	$ 74,652	$ 152,309	$ 14,433	$ 46,713
Common Stocks	543,158	710,447	699,533	1,061,596	156,375	351,149
Bonds	295,844	265,970	311,578	283,123	15,734	17,153
Other	45,897	53,008	38,787	44,215	(7,110)	(8,793)
Total	$ 945,118	$ 1,135,021	$ 1,124,550	$ 1,541,243	$ 179,432	$ 406,222

Investment revenues are reported gross of related investment expenses in the statement of activities. The amount of investment expenses recognized for the years ended December 31, 2015 and 2014 were $428 and $287 respectively.

Note 4 – Temporarily Restricted Net Assets

Temporarily restricted net assets at December 31, 2015 and 2014 are related to grant revenue to be used in future periods. In October 2013, the Organization was awarded a $3.3 million grant from a private foundation to support the Organization's general operations over the next ten years. According to the terms of the grant agreement, the Organization is eligible to receive ten annual payments of $330,000 from 2013 through 2022. Payments of $330,000 are received in October of each year. Future payments expected to be received under this grant are considered temporarily restricted due to time restrictions. At December 31, 2015, the Organization reported $2,109,503 of temporarily restricted net assets related to five grants. At December 31, 2014, the Organization reported $2,282,860 of temporarily restricted net assets related to two grants.

Note 6 – Grants Receivable

The Organization has unconditional promises to give in the form of grants receivable. Promises to give have been discounted using a 5% annual rate of interest. Unconditional promises to give consist of the following at December 31, 2015 and 2014:

	2015	2014
Unconditonal promises to give	$ 2,485,000	$ 2,790,000
Less:		
Unamortized discount (5%) on present value of expected future cash flows	(400,497)	(507,140)
Net unconditional promises to give	$ 2,084,503	$ 2,282,860
Undiscounted amounts due in:		
Less than one year	$ 505,000	$ 480,000
One to five years	1,650,000	1,650,000
More than five years	330,000	660,000
Total	$ 2,485,000	$ 2,790,000

Note 7 - Note Receivable

Note receivable consists of the following:

	2015	2014
Note receivable from Head Community Loan Fund - unsecured demand note bearing interest of 2%, due March 2016	$ 12,425	$ 12,178

Notes receivable are reported at their outstanding principal balance. Notes receivable are considered by management to be fully collectible and, accordingly, no allowance for doubtful accounts is considered necessary. In making that determination, management evaluated the borrower's financial condition, the estimated value of the underlying collateral, and current economic conditions. It is the Organizations' policy to charge off uncollectible notes receivable when management determines the note receivable will not be collected.

Note 11 - Simplified Employee Pension Plan

KFTC and KC contributed 5% of each eligible employee's pretax annual compensation to a simplified employee pension plan for the years ended December 31, 2015 and 2014. An eligible employee is an employee who has three years of continuous service with the Organizations. The employer contributions were $37,671 in 2015 and $39,953 in 2014.

Note 12 - Commitments and Contingencies

Grants require the fulfillment of certain conditions as set forth in the instrument of grant. Failure to fulfill the conditions could result in the return of the funds to grantors. Although that is a possibility, the Organizations deem the contingency remote, since by accepting the grants and their terms, it has accommodated the objectives of the Organizations to the provisions of the grants.

Note 13 - Donated Services

The Organizations receive a significant amount of donated services from unpaid volunteers who assist in fund-raising and special projects. No amounts have been recognized in the statements of activities because the criteria for recognition under generally accepted accounting principles have not been satisfied.

Note 14 - Fair Value Measurements

FASB ASC 820-10-50 defines fair value as the exchange price that would be received on the measurement date to sell an asset or the price paid to transfer a liability in the principal or most advantageous market available to the entity in an orderly transaction between participants. FASB ASC 820-10-50 also establishes a three level fair value hierarchy that describes the inputs that are used to measure assets and liabilities.

Fair values of assets measured on a recurring basis at December 31, 2015 are as follows:

		Fair Value Measurements at Reporting Date Using		
	Fair Value	Quoted Prices In Markets For Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	$ 74,652	$ 74,652	$ -	$ -

Total	$ 1,124,550	$ 774,185	$ 350,365	$ -

Note 15 – Prior Period Adjustment (Continued)
