To the Adjoining Property Owners, Neighborhood Group Representatives expressing interest in this area and Metro Counsellperson for the 6th District.

We, Myrna and John Parsley, plan to submit a development proposal to request a zoning change for 323 W. Saint Catherine Street, Louisville, KY 40203. Our agent doing the leg-work for the process is our son, Jeff Benedict, who owns the unit upstairs from the property in question.

We are the owners of 323 W. Saint Catherine Street. In order to comply with recent law passed by local government officials, I seek permission from the City of Louisville to rent the property for periods of fewer than thirty days.

In accordance with the procedures of the Louisville Metro Planning and Design services, we have been directed to invite you to discuss this proposal before an application can be filed. This will be an informal meeting to give you the opportunity to review the proposed plan and discuss the proposal with me. This meeting will be held in addition to the established public meeting procedures of the Planning Commission and/or the Board of Zoning Adjustment.

The meeting to discuss this development proposal will be held at 323 W. Saint Catherine Street, Louisville, KY 40203 on:

Wednesday, 5 July, 2017 at 7:00 pm

At this meeting, I will explain the proposal and then discuss any concerns you have. I encourage you to attend the meeting and to share your thoughts.

Sincerely,
Myrna and John Parsley
