## 4006 Leland Road Garage

**Louisville Metro Board of Zoning Adjustment  
Public Hearing**

**Dante St. Germain, Planner I  
October 2, 2017**

# Requests

- **Variance:** from City of St. Matthews Development Code section 4.6.C.2.b to allow a structure to encroach into the required side yard setback

Location	Requirement	Request	Variance
Side Yard	5 ft.	2 ft.	3 ft.

# Case Summary / Background

- The subject property is located in the City of St. Matthews.
- The applicant proposes to construct a new addition onto the rear of the existing one-story single-family residence, and to remove and replace the existing garage.
- The addition will take the garage out of compliance with City of St. Matthews Development Code section 9.2.P, which allowed the garage to be as close as 2 feet to the side property line as long as the garage was at least 15 feet from the rearmost portion of the house.

# Case Summary / Background

- As a consequence, the rebuilt garage will need to observe a 5 foot side yard setback. The existing garage is 2 feet from the side property line, and the new garage is proposed to have the same setback.
- The applicant requests a variance to allow the existing conditions to be replicated after the addition has been constructed.
