REQUEST

Conditional Use Permit to allow short term rental of dwelling units in the Old Louisville TNZD

CASE SUMMARY / BACKGROUND

The applicant proposes to conduct a short-term rental of two dwelling units at the subject property. As the site is located within the TNZD, a Conditional Use Permit is required.

The site is located on the west side of S. 6th Street between W. Oak Street and W. Ormsby Avenue; the applicant lives at 1226 S. 6th. PVA lists the structure as a residential duplex built in 1873. The interior of the structure is currently under renovation. According to the applicant, the final configuration will consist of a one-bedroom unit on the first floor and a second three-bedroom unit with living space on the first, second and third floors. The applicant will be adding a fire escape on the rear of the building with access to the second and third floors.

LDC regulations credit the property frontage of approximately 80 ft with four on-street parking spaces. Additional parking for three vehicles is available off the alley at the rear of the property.

STAFF FINDINGS

The applicant has provided the required documentation, has held a neighborhood meeting and has been informed of the standards and regulations specific to use of the dwelling unit for short term rentals.

Based upon the information in the staff report and the testimony and evidence provided at the public hearing, the Board of Zoning Adjustment must determine if the proposal meets the standards established in the LDC for a Conditional Use Permit.

TECHNICAL REVIEW

There are no outstanding technical issues.
