

NIKKI A. BOYD

4538 South 2nd Street • Louisville, KY 40214 • [REDACTED] • [REDACTED]

QUALIFICATIONS SUMMARY:

- Over sixteen years of experience organizing, developing, training, and evaluating strategies to promote health and wellness, with seven of those years specifically aimed at promoting the health and wellness of children.
- Over ten years of experience establishing and maintaining partnerships with community-based organizations and businesses.
- Knowledge of local, state and national education, child safety and wellness laws and regulations.
- Excellent oral and written communication skills including grant writing, public speaking, reports, newsletters, memoranda and non-routine correspondence.
- Proven ability to motivate and work effectively with persons from other cultures and socioeconomic status.
- Detailed organizer that is motivated to excel. A team player that will take on new challenges, varied projects, and challenging priorities.

WORK HISTORY:

Coordinator, Health and Wellness, Norton Children's Hospital, Louisville, Kentucky, 2015-Present

- Assist in the development of an office of health and wellness within Norton Children's Prevention and Wellness.
- Community outreach to impact the health and wellness of children and parents in the hospital service area, including Jefferson County, Kentucky and surrounding areas.
- Ensure the implementation of evidence based practices and services to the service area population.
- Establish and maintain community partnerships to ensure coordinated efforts to reduce health inequities, improve health outcomes, and increase health knowledge of children and families in the service area.

Program Specialist II, Jefferson County Public Schools, Louisville, Kentucky, 2008-Present

- Planned, developed, implemented and evaluated Coordinated School Health (CSH) education programs, including wellness policies, intervention projects, and health activities to meet the mission, goals, and objectives of the Health Promotion Schools of Excellence (HPSE) program and its community partners.
- Was responsible for planning and implementing professional development trainings; overseeing budget preparation and expenditures; collecting and analyzing data; and monitoring programs.
- Provided direct support to HPSE schools as a CSH liaison.

Program Services Leader/Aquatics Supervisor, E. P. "Tom" Sawyer State Park, Louisville, Kentucky, 2002-2008

- Planned, developed, implemented and evaluated recreation programs, specifically those related to health education.

- Recommended and executed new programs resulting in an increase in revenue and park popularity.
- Supervised recreation and aquatic staff and oversaw daily operations of the highest-grossing Kentucky State Park aquatic facility.
- Worked closely with employees on employee rights and grievances as appointed EEO Coordinator.

Internship, American Heart Association, Louisville, Kentucky 2006

- Solicited Power to End Stroke Ambassadors to promote the program at the local level.
- Increased understanding of local cultural health initiative programming, research and policy.
