/ariance Justification:

n order to justify approval of any variance, the Board of Zoning Adjustment considers the following criteria. Please nswer all of the following items. Use additional sheets if needed. A response of yes, no, or N/A is not acceptable.

. Explain how the variance will not adversely affect the public health, safety or welfare.

The vaniance will keep within the 10ff building limit line for the property and will not create any public health, safety or welfare concerns.

L. Explain how the variance will not alter the essential character of the general vicinity.

The variance request is similar to the adaptent property located at 328 Mackingbird Hill Road and will be maintain the character of the neighboring homes.

Explain how the variance will not cause a hazard or a nuisance to the public.

the variance will be performed on the existing property and within existing retaining wall and will not affect the public.

 Explain how the variance will not allow an unreasonable circumvention of the requirements of the zoning regulations.

The variance allows the use of the corner lot similar to adjacent property owners, maintains the 10ff building limil line and allows reasonable use of property.

Additional consideration:

. Explain how the variance arises from special circumstances, which do not generally apply to land in the general vicinity (please specify/identify).

the property is a corner lot and the 25ft set back restricts the use of the property, when a pre-existing 10ft building limit I me was originally created

Explain how the strict application of the provisions of the regulation would deprive the applicant of the reasonable use of the land or would create unnecessary hardship.

orginally 10ft building limit line established for the neighborhood and creates a handship for the original cutint of property

Are the circumstances the result of actions of the applicant taken subsequent to the adoption of the regulation from which relief is sought?

yes, the original 10ft building limit line was sufficient but the new 25ft building set back line governed by land Development Code
