REQUEST

Conditional Use Permit to allow short term rental of a dwelling unit not the primary residence of the host (LDC 4.2.63)

CASE SUMMARY / BACKGROUND

The applicant proposes to conduct a short-term rental of a dwelling unit at the subject property. As the applicant does not live on site, a Conditional Use Permit is required.

The site is located on the east side of Edgehill Road between Dorothy Avenue and Walnut Place. The site and all adjoining properties are zoned R-5 in a Neighborhood form district.

PVA lists the structure as a single-family residence. According to the applicant, the residence has four bedrooms; LDC regulations permit up to twelve guests. The existing driveway is shared with the neighboring residence. The residence includes a one-vehicle garage.

The street frontage of the property is located within a fire lane and may not be used for parking. Based on LDC standards, there are approximately 50 parking spaces on the block, within 350 ft of the subject property. These spaces serve 28 properties, 27 of which have driveways.

STAFF FINDINGS

Based upon the information in the staff report and the testimony and evidence provided at the public hearing, the Board of Zoning Adjustment must determine if the proposal meets the standards established in the LDC for a Conditional Use Permit.
