Request

The Louisville Urban League, Inc. (“Urban League”) is requesting to purchase the unimproved lot at 1521 West Broadway for use as a waiting area adjacent to their building. Some benches and landscaping would be installed. The property was acquired by Urban Renewal in 1998 through foreclosure.

Case Summary / Background / Site Context

The Urban League currently proposes to use the lot as a waiting area with landscaping and benches, but indicated that it may also be used for future expansion of their mission. No plans have been submitted at this time, and any future development would be subject to URC approval. Because Urban League's mission and services are considered a public purpose, the recommended sale price is \$1.00.

Resolutions 5 and 7, Series 2016 granted the Urban League preferred developer status and a license agreement for construction of a mini golf-course respectively, which is no longer proposed at this time.

The lot is located on the north side of West Broadway between 15th and 16th Streets to the west and east. It's bordered by Esquire Alley to the north, commercial/industrial uses to the south, across Broadway, a bank to the east, at the corner of 15th and Broadway, and the Urban League owns the lot at 1519 West Broadway to the west. Roosevelt Perry Elementary School is located further west, across South 16th Street. The lot is zoned C-2 in the Traditional Marketplace Corridor Form District. The site falls under the Russell Urban Renewal Plan, which allows uses permitted in the C-2 zone, including commercial and residential, on the site.

Staff Conclusions / Proposed Conditions of Approval

Staff recommends approval of the sale for \$1.00 as the Urban League is considered a public purpose, with the following conditions:

1. Future development is subject to review and approval by the Urban Renewal Commission.
2. The Applicant shall obtain any necessary permits required by Louisville Metro.
3. The Applicant agrees to return the property if the above conditions are not met.
