Louisville Metro Board of Zoning Adjustment
Public Hearing

Ross Allen, Planner I
June 18, 2018

Requests

- **Variance #1:** Variance from LDC 5.2.2.C.2, table 5.2.2 for the proposed enclosure of an existing rear portion (addition) to encroach into the required 3 ft. side yard setback on an R-6 zoned parcel within the Traditional Neighborhood Form District.

Location	Requirement	Request	Variance
Side Yard Setback	3 ft.	2 ft.	1 ft.

Case Summary / Background

- Applicant would like to enclose an existing rear porch area for the purpose of allowing additional storage space and access to the second floor of the existing residential structure.
- The existing rear roofed porch is approximately 80 square feet in size and will be enclosed.
- The need for the variance is the result of an alteration to the existing structure which lies within the 3 ft. side yard setback.
